**THE WOODEN IF IT WOULD RUN**  
 (Puck.)

They walked the gallery over,  
 And halted at last before  
 "A Portrait?"  
 "That hangs by the northwest door.  
 The form of a valiant young soldier,  
 In his most fitting uniform—  
 Bright was his eye with ambition,  
 And the blush on his cheek was warm.  
 They gazed at it long in silence,  
 Till spoke the elder one—  
 "The beautiful, thoughtful fellow—  
 'Twas once a wonderful fellow."  
 "How can you!" cried gentle Minnie,  
 In her fresh, ingenuous youth;  
 "Ours you see by his face he's a hero  
 Of loyalty, courage and truth?"  
 "But he said, calmly lifting  
 His eyes to her eyes of black;  
 "I referred to that line on his tunic—  
 'Twas the thinking of dying my saecus."

He said, calmly lifting  
 His eyes to her eyes of black;  
 "I referred to that line on his tunic—  
 'Twas the thinking of dying my saecus."  
 "The Knot in the End of the Thread."  
 [Harper's Bazar.]  
 "Of the variations and worries—  
 The small ones, I mean, that life brings  
 To us—just half of them coming  
 From within, inanimate things,  
 Such as, presto! away flies a button,  
 Or off goes an only pin's head,  
 And that the worst is the finding  
 The knot in the end of the thread."  
 "All there's a way to get rid of this bother,  
 I say that is pleasant and light,  
 'Twill serve as a rule for your life-  
 work."  
 "I agree when you start to start right,  
 As you go on, you'll find that  
 The troubles will wait you instead  
 Of the drawings and frettings that come  
 With the knot in the end of the thread."  
 "Two Great Poets Contrasted."  
 [Kansas City Times.]  
 "After Hugo was once asked if he could  
 write poetry in English, and he answered,  
 'No, sir.' Here is a specimen:  
 Quand je me sens du spleen  
 J'entre dans un inn,  
 Et je bois du gin,  
 God save the queen."  
 "This is a specimen of English as the  
 poet of the pen of Murat Halstead,  
 of the French."  
 "Le garçon se tenait sur le deck  
 Marrant les passants par le peck,  
 Tout pres etait une fille en bleu  
 Qui dit 'I'll take a peck or deux."

**The Good-Natured Girl.**  
 [Boston Courier.]  
 "Do not sigh for the stately maid,  
 Though her face be e'er so fair,  
 For the truth to tell, I'm half afraid  
 Of the girl with the haughty air.  
 There's a rarer charm, a rarer grace,  
 That hangs with the bright and smiling face  
 Of the girl with the double chin."  
 "Never! Never!  
 [London Courier-Journal.]  
 "New Dr. Talmage airs the wrongs  
 Of woman, scolding us or no.  
 O doctor! why not pray the Lord  
 To send us fewer female babies!"  
 "The Devil and His Due."  
 [Merchant Traveler.]  
 "The printer paid his office boy;  
 Then passed awhile to muse,  
 And softly said: 'How seldom 'tis  
 The devil gets his dues.'"  
 "Wanted, an Ode on the Watermelon."  
 [Detroit Free Press.]  
 "The chairman of the committee on agriculture  
 reported, and added that it gave  
 him great satisfaction to be able to state that  
 the watermelon was the best of the season  
 and that it was reported unusually thin  
 and large cores. He would suggest, as  
 usual, that the Lima Club offers a  
 prize of \$10 in gold for the best ode to the  
 watermelon, the said ode to be strictly  
 original, written in blue ink, and the author  
 to be a resident of this city before."

**As Old Tunnel.**  
 "The governor of the island of Samoa  
 has discovered a tunnel measuring 5,000  
 feet in length, and constructed at least nine  
 miles before the Christian era."

**Business Cards.**
