

CARTER ILLNESS MAY ALTER PLANS

THE EXECUTIVE CONFINED TO HIS HOME SINCE SATURDAY BY DENGUE, BUT HOPES TO BE ABLE TO TAKE HIS PART IN THE CEREMONIES AT THE CAPITOL NEXT THURSDAY MORNING.

Governor Carter is confined to his home by illness. He is said to be able to be about the house, but was unable to come down to his office this morning, as was also the case on Saturday.

It was given out at the executive department this morning that the Governor is suffering from an indisposition similar to dengue, from which he hopes, however, to be sufficiently recovered to take part in the ceremonies attending his retirement from office on Thursday, and the inauguration of his successor, Chief Justice Frear. For the present the Governor is not attempting to transact any of his official business.

The arrangements for the inauguration on Thursday are being perfected in detail, by the force of the executive office and Judge Frear and newly appointed Secretary E. A. Mott-Smith, and it is hoped to have the formal program of arrangements ready for announcement by tomorrow. Inasmuch as the affair is of official and formal character, a good deal of diplomacy is necessary in making the arrangements and issuing the invitations to the various civil, military, naval and foreign officials.

WHAT WILL FREAR DO?

THE MATTER OF CONTINUING TO ENFORCE UNDATED RESIGNATIONS BEING DISCUSSED.

The bugaboo of the Carter regime relative to undated resignations, has again bobbed up among the department heads and other officials holding positions in the Territory under appointment of the governor.

What stand will Governor Frear take when he comes into power? is the question the officials are asking each other on the quiet. Of course as none of them are sure of being reappointed, there is a natural reluctance to talk on the matter. The only one of the bunch who is really in a position to enjoy the situation is Attorney General Peters. He doesn't care for he is out of the race for reappointment, and apparently sees a great deal that is humorous in the situation of the others.

The question of the Chief Executive requiring of his appointees on their assuming office their undated resignations, signed and ready for a moment's notice to be dated and put into effect, is one which has caused a good deal of discussion and criticism, and was the subject of an abortive attempt at legislation by the last legislature.

Governor Carter held that in order to insure harmony and single purpose among the members of his official

POLICE TAKE UP BALL GAME INCIDENT

HAMPTON'S THROW AT A SPECTATOR DURING A SATURDAY AFTERNOON GAME AND AN ALLEGED THREAT OF VIOLENCE TOWARD CHIEF OF DETECTIVES TAYLOR ARE BEING INVESTIGATED—LEAGUE ACTION MAY BE AWAITED.

Chief of Detectives A. P. Taylor was in the midst of a tussle at the baseball grounds Saturday afternoon that may mean severe trouble for one of the players, Hampton, who is alleged to have deliberately thrown the ball at a spectator, narrowly missing a lady's head, and for another player whose name the police are for the present keeping quiet, who was about to attack Taylor from behind when Assistant Chief of Detectives Joseph Leal arrived and put himself in readiness to knock out the man if he attempted to strike Taylor.

The police await the action of the League and their action depends to some extent on what the League does. The ball throwing incident was witnessed by the big crowd at the game. Hampton is declared to have lost his temper when "joshed" and to have thrown a ball with deadly force at a man, said to be "Jimmy" Thompson, who had been doing some of the talking. It nearly struck its mark and if it had struck the lady's head who was narrowly missed, would probably have had very serious consequences.

THE POLO DINNER

At the meeting of the Oahu Polo Team this morning the committee on entertainment decided on Saturday night August 17, for the annual dance and dinner to be given at the Seaside Hotel in honor of the visiting Maui team. The event will be an invitation affair and everything will be done to make the affair a success. A number of the business houses in town are willing to give their employees a chance to see the game and to declare Wednesday afternoon a half holiday. One of the members stated that he hoped everyone would declare it a half day and that the game would be a record one in matter of attendance.

DOLE DECIDES A TEST CASE

LONG TIME RESIDENT HERE NEED NOT WAIT TWO YEARS FOR NATURALIZATION.

Judge Dole today handed down a decision in the case of George Frederick Rodiek, a German citizen applying for naturalization, by which the application was granted. Rodiek, who is an employe of Hackfeld, wished to be naturalized, but was opposed by the Department of Commerce and Labor on the grounds that he had not filed his declaration according to the last laws governing the admission of foreigners requiring their application to citizenship to be filed two years ahead.

Judge Dole held that inasmuch as the man had been a resident of the Territory for over five years prior to the annexation, this fact should stand in lieu of the formal declaration.

Exceptions were noted by J. J. Dunne the United States attorney in the case, and notice of appeal given.

GOVERNOR MIGHT MAKE SAM GO

ORDER FOR THE RIFLE TEAM, NAMING THOSE SELECTED, ABOUT TO BE MADE.

A general order will probably be issued this afternoon from the Adjutant General's office of the National Guard of Hawaii naming the rifle team which is to leave Honolulu on the Alameda on Wednesday for Camp Perry, Ohio, to represent the Territory in the national match which is to be held there under supervision of the War Department. It is understood that the following are on the schedule to go, although there is the possibility of one or two changes being made:

Major William R. Riley, 1st Infantry, team captain and disbursing officer.

Lt.-Col. Arthur Coyne, 1st Infantry. Major James W. Pratt, Signal Corps Department, N. G. H.

Major Gustave Rose, 1st Infantry. Captain Thomas P. Cummins, 1st Infantry.

Captain Charles M. Coster, 1st Infantry.

Capt. Arthur W. Neely, 1st Infantry. First Lieutenant Orlando J. Whitehead, 1st Infantry.

Sergeant A. R. Phillips, Company F, 1st Infantry.

Sergeant Jose Ferreira, Company F, 1st Infantry.

Corporal Jose Gouveia, Company F, 1st Infantry.

Corporal John Stone, Company F, 1st Infantry.

Private Luther A. K. Evans, 1st Signal Company, N. G. H.

Private Eugene Duvauchelle, Company G, 1st Infantry.

Private William S. Chillingworth, 1st Signal Company, N. G. H.

Private Sam Pinao, Company B, 1st Infantry.

Private Thomas J. Evans, 1st Signal Company, N. G. H.

Private Charles Brede, Company G, 1st Infantry.

There has been a disposition on the part of some of the men to criticize Governor Carter for not having exercised his authority in the matter of Col. Sam Johnson, who, it will be observed, is not on the list of those to go, although he holds the highest record as a marksman, and his loss will count fearfully against the team in the competition. The Board of Supervisors, under which Col. Johnson, as Road Supervisor, is employed, objected to allowing him to go, and Johnson refused to insist. The Governor, under both the laws of the Territory, and by Federal statute, is empowered to order the attendance of any member of the National Guard at any place and at any time he may see fit, and any one preventing response to such orders is subject to a severe fine.

CLOSE UP FOR POLO

All of the local banks and trust companies have agreed to close at 1 o'clock next Wednesday afternoon, for the polo game at Moanalua. There is a movement among other big establishments to close at the same hour, in order to allow employes to attend the game.

NINE YEARS AGO TO-DAY

SANFORD B. DOLE.

Nine years ago today, Sanford B. Dole, as President of the Republic of Hawaii, formally turned over the islands to the United, at flag-raising ceremonies held at noon at the Capitol, in the presence of an immense gathering.

Addressing Minister Sewell, President Dole said: "A treaty of political union having been made and the cessation of the Territory in the national match which is to be held there under supervision of the War Department. It is understood that the following are on the schedule to go, although there is the possibility of one or two changes being made: Major William R. Riley, 1st Infantry, team captain and disbursing officer. Lt.-Col. Arthur Coyne, 1st Infantry. Major James W. Pratt, Signal Corps Department, N. G. H. Major Gustave Rose, 1st Infantry. Captain Thomas P. Cummins, 1st Infantry. Captain Charles M. Coster, 1st Infantry. Capt. Arthur W. Neely, 1st Infantry. First Lieutenant Orlando J. Whitehead, 1st Infantry. Sergeant A. R. Phillips, Company F, 1st Infantry. Sergeant Jose Ferreira, Company F, 1st Infantry. Corporal Jose Gouveia, Company F, 1st Infantry. Corporal John Stone, Company F, 1st Infantry. Private Luther A. K. Evans, 1st Signal Company, N. G. H. Private Eugene Duvauchelle, Company G, 1st Infantry. Private William S. Chillingworth, 1st Signal Company, N. G. H. Private Sam Pinao, Company B, 1st Infantry. Private Thomas J. Evans, 1st Signal Company, N. G. H. Private Charles Brede, Company G, 1st Infantry. There has been a disposition on the part of some of the men to criticize Governor Carter for not having exercised his authority in the matter of Col. The Governor, under both the laws of the Territory, and by Federal statute, is empowered to order the attendance of any member of the National Guard at any place and at any time he may see fit, and any one preventing response to such orders is subject to a severe fine.

President Dole remained as president during a "transition period" up to June 10, 1909, when the Territory was organized and he became first governor thereof, retiring nearly four years ago to take his present position as federal judge.

The flag which was used on this occasion is still preserved in the capitol here.

Among those who took part in the ceremonies and were mentioned in press accounts as specially prominent in bringing about annexation, who are still prominent in local affairs were Dr. John S. McGrew, L. A. Thurston, F. M. Hatch, W. A. Kinney and P. C. Jones and the following names from the original roll of membership of the Annexation club: George W. Smith, J. S. Martin, C. T. Wilder, J. L. McLean, Professor Scott, L. C. Ables, P. B. McStocker, T. S. Lansing, J. S. Kennedy, J. W. Jones. The Hawaiian Ministers with President Dole,—Henry E. Cooper, J. A. King, W. O. Smith and S. M. Damon—were also leaders in the events of the day. The National Guard took part with Col. J. H. Fisher commanding during a "transition period" up to June 10, 1909, when the Territory was organized and he became first governor thereof, retiring nearly four years ago to take his present position as federal judge.

LOST ONE DAY AND FOUND THE NEXT

On Saturday, Robert Wallace, whose real name is A. L. Miller, was discovered as missing from the Occidental Hotel and was supposed to have killed himself. Chief of Detectives A. P. Taylor went through his effects and found that Miller was his right name. Yesterday he was located by a special officer who is a newspaperman, and had enlisted in the Twentieth infantry at Fort Shafter. This fact was cabled by the Chief of Detectives to Mrs. Miller at Willoughby, Ohio. Miller has several hundred dollars when he came here, but lived beyond his means.
