FARMER HOPKINS' EVIDENCE.

HE TELLS ABOUT THE SUFFERING OF HIS DAUGHTER.

A Victim of Nervous Prostration and Neuralgia Saved After Her Physician Abandoned Hope.

From the Republican, Columbus.

While in the neighborhood of Rugby, Indiana, recently, a reporter was told that Miss Clara Hopkins, daughter of Mr. Dennis Hopkins, a prominent farmer of Bartholomew County, had been the subject of a remarkable transformation.

"You have been correctly informed," said Mr. Hopkins, "for Clara has indeed had a severe siege. She tried Dr. Williams' Pink Pills and they did her more good than all other medicines together that she ever took."

"About three years ago her health began to fail. The doctor who attended her said this was caused by weak digestion. This produced nervousness, which was accompanied by neuralgic troubles, which at first was located in the nerves about the heart. Of course this was a dangerous location for any such trouble, and she rapidly grew worse, notwithstanding that the physician was treating her."

Everywhere Dr. Williams' Pink Pills for Pale People are recognized as a specific for diseases of the blood and nerves. For paralysis, locomotor ataxia, and other diseases long supposed incurable, they have proved their efficacy in thousands of cases.

RAPIDLY DISAPPEARING.

The supply of the "Celebrated Seattle Bock Beer" is rapidly disappearing in town. The lovers of this nutritious spring beverage can obtain it for a limited time at the Criterion Saloon.
