## THE TRANSVAAL DREYFUS IS GUILTY

Krueger Gets a New Protest From the British.

(Continued from Page 1.)

Railway Officials Ordered to Protect Their Line—Support Pledged to the Transvaal Republic.

PRETORIA, Sept. 11.—The British diplomatic agent, Conyngham Greene, has made representations to the Transvaal Government regarding the recent arrest of Mr. Pakeman, editor of the Transvaal Leader, and the Government is sending a reply.

President Krueger has issued a notice warning burghers who intend to go shooting beyond the river Limpoo, which forms for many miles the north-west and north limit of the Transvaal that they will be severely punished unless they first obtain permission from the local authorities.

The tension remains high pending the receipt of Mr. Chamberlain's dispatch. It is asserted on excellent authority that the Transvaal Government, with a view of keeping the mining industry moving has decided to protect it in every way. As a first step the Government has notified the Rand companies that their men will receive protection as long as they remain peaceful, and should war unfortunately occur the men will be given a reasonable time to leave the country if they desire.

It is officially announced that the article in the gold law about the confiscation of claims and mines belonging to people convicted of treason or conspiracy against the State, which was last year eliminated, will be re-enforced. The article also gives the Government power to order that the mines be worked, and provides that if this instruction is disregarded the Government may work them through its own agents.

Commander General Joubert denies that the War Department is ordering heavy ordnance and rifles. He declares that he is anxious for the preservation of peace.

Secretary of State Reitz has left this city for Johannesburg and Cape Town. The likelihood of war is much discussed. The coming of British troops is not regarded as meaning certain war, but merely as making up for the paucity of troops in South Africa, much commented upon during the past month.

The burghers of this place are offering the Government gifts of meal. The town has a deserted appearance.

JOHANNESBURG, Sept. 11.—The officials of the Netherlands Railway Company have been notified to hold themselves in readiness to guard the line in the event of war.

The Italians in the Transvaal have decided to remain neutral should hostilities arise. The Transvaal Hollanders here held a meeting today and adopted resolutions of sympathy with the Transvaal Government, pledging their support.

CAPE TOWN, Sept. 11.—Four trains containing refugees from Johannesburg have arrived here. Four hundred refugees have also arrived at Durban. During the past week the relief committee of Johannesburg assisted 2,000 cases of distress reported throughout the Transvaal.

LONDON, Sept. 11.—The activity in the Admiralty and War Office continues. It is said that orders have been sent to America for light iron girders and bridging sections, for probable use in South Africa.

Transports are moving to the docks, preparatory to embarking troops.

LONDON, Sept. 10.—A dispatch from Bloemfontein reports the distribution of arms and a considerable exodus to Cape Colony. According to the correspondent, the Boers are massing on the frontier and there is no abatement of war preparations in the Transvaal.

It is understood that General Sir Redvers Buller will start for Cape Town next Saturday. The Indian authorities are chartering steamers to transport troops to South Africa as rapidly as possible.

LONDON, Sept. 9.—The troops going to South Africa, as the result of the decision of yesterday's Cabinet council to send 10,000 soldiers, will proceed to Natal, bringing the total number of men in that colony up to 15,000. Re-enforcements numbering 5,000 men will be drawn from India.

The Northumberland Fusiliers will embark next Saturday for Cape Colony, leaving from Southampton. The First Royal Sussex Regiment has been ordered to be ready to embark within three days. An infantry brigade with a division of field artillery from Aldershot, with eighteen guns, has been ordered to leave.

MALTA, Sept. 9.—The First Battalion of the Border Regiment, stationed here, has been ordered to hold itself in readiness to embark for Cape Colony.

**THE THIEVES IN CUSTODY.**  
 LONDON, Sept. 9.—The police of Geneva have in custody two men, Edward Wilkinson, said to be an American, and John Roman, an Irishman, whom they believe to be the chiefs of an international gang of swindlers who have been working the whole Continent of Europe this year with remarkable success. This daring gang was exceptionally clever in robbing people on bank premises. At Milan they got 60,000 lire, at Turin about the same, at Rome 30,000 lire, and at Lucerne 65,000 francs. These men are also believed to be the authors of the recent big jewel robberies at Ostend, Brussels, Basle and Hamburg. Detectives from a score of cities have gone to Geneva to have a look at the interesting couple.

**GOLD FROM KLONDIKE.**  
 SEATTLE, Wash., Sept. 9.—The steamer City of Seattle arrived here from Alaska this morning with \$600,000 in gold. Four hundred and seventy thousand dollars was consigned to the United States Assay Office by the Bank of British North America.
