ARRAY OF TALENT

Attractive Numbers On
Smoker Program.

Waverley Club Hall Well Filled
Singing and Instrumental
Music.

The annual Smoker of the Honolulu Cricket Club at Waverley Hall last night was an immense success, and over 150 of the male portion of Honolulu's population are congratulating themselves upon having enjoyed one of the best affairs of its kind given in the city. The program included selections in vocal and instrumental music by about as high class a lot of performers as could be gotten together.

Professor Sharpe accompanied all contributions upon the piano and did not appear to feel in any way the big strain thus put upon him. Mr. Eery and Mr. Hamilton Hill carried off the honors, the former with exquisitely rendered violin solos and the latter with his usual fine vocal efforts. Both received ovations and apparently no limit was placed upon the number of recalls.

Mr. Mariner's mandolin selections were highly appreciated as also was Mr. Guy Livingston's "King of the Dungeon" basso song. The Boston Lyric Quartette was brought out four times and good naturedly wined the demand. Other contributors to the enjoyment of everybody present were: Messrs. W. D. Anderson, W. Thompson, Geo. Allen, E. Rodgers, Ayres, Kay and Prof. Berger who added a pianoforte medley of popular airs to the long list.

"Gus" Murphy and Allan Dunn were very happy and entertaining in their readings. They make a strong team.

The fun was kept up to midnight and during the whole evening the committee devoted itself entirely to seeing that not one guest sat before an empty glass or was without a pipe or cigar.

Prince Cupid proposed the health of Dr. H. V. Murry, sire of the jinks, and C. F. Fitz W. Hall responded. Mr. Hall also sang "Celeste" and, by special request, led for the national anthem.

Mr. Shaw to Travel.
Jonathan Shaw, tax assessor and collector, was a passenger for the Mainland by the Alameda leaving last night. He will be absent six weeks, spending a month of the time at various health resorts on the Coast. Friends of the citizen who has had such a severe illness rallied around him yesterday morning and insisted that he should make a trip. Mr. Shaw was inclined to rebel, arguing for a rest in Honolulu or on one of the other islands but was finally convinced that the sail and the stay in California had many elements of the proper prescription for his case.

Paralysis

is sometimes caused by overwork, either mental or physical. There are many other exciting causes, such as exposure to cold, excesses, emotional influences, etc. The approach of the disease is generally gradual. Frequently the first warning is a vague feeling of headache, vertigo and muscular weakness.

Dr. Williams' Pink Pills for Pale People

restore the nutrition of the nerves and have cured many cases of paralysis when all other remedies and methods of treatment have failed. The record of this remedy entitles it to a thorough trial.

Perhaps there is no man better known in the city of Lawrence, Kansas, than Mr. G. H. Snyder. To a reporter Mr. Snyder related a wonderful story. He said: "I was over seventy years of age. About three years ago I experienced a cold or numbness in the feet, then creeping up my legs until it reached my body. I grew very thin in flesh, my appetite was very poor and I did not relish my food. At last I became so bad I was unable to move about. I consulted several distinguished physicians, one telling me that I had locomotor ataxia, another that I had creeping paralysis. I took their medicines but they did me no good and I continued to grow worse. One day a friend advised me to try Dr. Williams' Pink Pills for Pale People. I immediately commenced their use, throwing all other medicines away. Before I had finished my first box I found that they were benefiting me. I used twelve boxes in all and was perfectly cured."

Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions, all forms of weakness either in male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent, postpaid, on receipt of price, 50c. a box or six boxes for \$2.50 (they are never sold in bulk or by the 100) by addressing Dr. Williams Medicine Company, Schenectady, N. Y.
