

LAXATIVE.

THE KIND YOU HAVE ALWAYS bought has borne the signature of the Western Chemical Co. of Chicago, Ill. for years. Allow no one to deceive you with counterfeits. Imitations and "just as goods" are but experiments, and endanger the health of children.

What is Laxatine?

LAXATIVE IS NOTHING BUT THE FINEST CASTOR OIL, with its objectionable taste removed by our new process. LAXATIVE is as pleasant to take as honey. Children like it. No trouble to get them to take it. It contains neither opium, morphine, nor other narcotic substances. It relieves teething troubles, cures constipation and flatulency; it assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.—The Children's Panacea—the Mothers' Friend.

Columbia Captain Comes Into a Fortune.

He Now Has \$400,000—Brought the Hoodoo Ship to This Port. Was A Ways a Calm Man.

Captain Walter Milnor, who brought the hard-luck steamer Columbia from Seattle to this port and who had considerable trouble on the way and another with his charge and the crew and certain of the passengers, is the only person in any way touching the vessel to escape the "hoodoo."

Captain Milnor a few weeks ago fell into \$400,000 and is now one of the big men of the Sound country. He makes the fashions in Seattle and most of the stores of the place remain closed till he comes down in the morning.

It was brought out in one of the numerous Columbia lawsuits here that for many months prior to re-entering the sailor business, Milnor was a waterfront reporter for one of the Seattle papers at a very moderate salary. He was a bright chap with a remarkable capacity for looking wise and saying little. Somehow he managed to become a power with the Inspection Board that was passing on the seaworthiness and engine plants of vessels of the numerous fleets entering the Klondike trade during the days of the stampede to the gold fields of the frozen eldorado. Milnor turned this position to such benefit for himself that without any particular claim to such distinction he was called to the command of the magnificent steamship Arizona, now the Hancock, one of the two finest transports afloat, and at one time a record-holder on the Western ocean. He had his flag up on the Arizona just about four hours. It developed that he was guilty of an astonishing error of judgment, but he scented a better thing as master of the Columbia, which was advertised to become a great earner as a liner between the Sound cities and these islands. It is more than likely that the prospect was rather alluring. At any rate, Milnor ousted one of the Colgrove boys and became captain of the Columbia and the big man afloat for the new company.

Milnor was in Honolulu for weeks and weeks. Once he started for Seattle from Hilo with the Columbia, but struck a blow and came back with a first-class yarn of the deep peril. It was noted of the man that nothing could disturb him. Every hour on the Columbia or ashore in this country was one of trouble and worry, but Milnor was always dignified, self-contained and apparently wholly confident. On one trip between Hilo and this port some of the crew of passengers secured his photograph as painted a hazy man's nose around the neck and put the picture on the captain's door. Milnor smiled the same as he did when under the cross-fire of attorney questioning in the courts here for a couple of months. Nothing ruffled him. He can't possibly have a more dignified bearing as the possessor of \$400,000 than he had when stranded on the beach in Hawaii net.

ITCHINESS OF THE SKIN.

Everybody has their hour of trouble.

But people having any irritation of the skin.

Have many hours of trouble. Nothing so annoying, nothing so irritating.

It is a hard and trying position. Leave it alone and you can hardly bear the misery.

Relief and cure have come at last. Melbourne has put it to the test.

Doan's Ointment cures every form of skin irritation.

People at home are learning that this is so.

Here is proof in a statement:

Mr. William Preston has been a resident of Victoria for over half a century and therefore will be known to many of our readers. Mr. Preston is at present residing at No. 68 Argyle St., St. Kilda. He says: "For some considerable time I have been troubled with Eczema on my legs. The irritation at times was very great especially at night, and it caused me considerable annoyance. I obtained a pot of Doan's Ointment and I must say that it allayed the irritation almost immediately. Doan's Ointment is a good remedy and I can highly recommend it for Eczema."

Doan's Ointment is splendid in all diseases of the skin, eczema, piles, hives, insect bites, sores, chilblains, etc. It is perfectly safe and very effective.

Very frequently two or three boxes have made a complete cure of chronic cases that have not yielded to other remedies for years.

Doan's Ointment is sold by all chemists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Agents for the Hawaiian Islands.

Label the Trees,

Editor Pacific Commercial Advertiser: I wish to suggest to the Minister of the Interior or to the Bureau of Agriculture that labels be attached to trees and plants in the grounds of the Executive building.

Also to yourself to let it be known that in this surpassingly beautiful little park may be seen camphor, rubber and other rare trees besides much plant life that is tropical and unusual and interesting.
