Angle Lamp
JUST RECEIVED another large shipment of these lamps. These lamps burn in such a manner that the combustion is almost perfect, and for this reason the light is magnificently brilliant, smokeless and odorless. The lamps are absolutely safe, it being simply impossible to explode.
The Angle Lamp accomplishes perfect illumination. It presents an opportunity of securing light which is easily operated and more brilliant than gas or electricity, with no more heat, at a mere fraction of their cost. It provides a lamp for homes, stores, offices, factories, halls, libraries, hotels and churches that is ideal in every way.
The public is cordially invited to call and inspect these lamps.
