THERESA IN COURT

Takes Appeal From Judgment by Dickey.

FAILED TO PAY FOR "HOME RULER"

George Davis Meets His Match in Judge Henry Highton of San Francisco.

An appeal was filed in Circuit Court yesterday in the case of The Robert Grieve Publishing Co. vs. Theresa Wilcox from a judgment given by Judge Dickey against the "Princess" for the sum of \$64.87.

The petition alleges "that the defendant Theresa Wilcox is indebted to the plaintiff in the sum of \$64.50, the purchase price of merchandise sold to defendant, and for the printing of one thousand copies of the 'Kuokoa Home Rula' newspaper printed and delivered at defendant's request."

There was no defense by defendant, and plaintiff testified that he was to receive \$25 for each 500 copies of the Home Rula printed. The copies printed April 9th were not delivered because of the failure of Theresa to pay for them. T. I. Dillon appeared for plaintiff and J. L. Kaulukou for defendant.

OTHER APPEALS.

An appeal is taken in the case of C. W. Ahoy vs. S. W. Kaai, in which Judge Dickey found for plaintiff in the sum of \$77.84. Suit was for \$75 alleged to have been given to defendant to deliver to plaintiff but which he failed to do.

Appeals were taken also in the cases of H. T. James, assignee of Honolulu Paint and Wall Paper Co., vs. Goo Hoy, and Chin Kim vs. Wun Nim Yam. The latter suit was for the possession of \$163 worth of Chinese jewelry which was awarded to plaintiff.

DAVIS GETS A CALL DOWN.

George Davis has found his match in Henry Highton of San Francisco, and the freak attorney is beginning to realize the fact.

Yesterday morning in Judge Gear's court the Summer case was again called up, on the question of the qualification of the court to hear the matter. Davis objected saying that the court obtained no jurisdiction until the fourteen days allowed to answer had expired. F. E. Thompson and Mr. Highton both opposed this stand, claiming that a respondent could defend himself as soon as he could get into court. Mr. Highton asked that the court first decide as to his qualification and Gear replied that if he did hold he had jurisdiction he would not hear the case because he was disqualified.

Mr. Highton asked that he be allowed until this morning to argue the question of jurisdiction which the court granted. Then Davis jumped up and said that there was nothing before the court, the matter of jurisdiction had already been decided and if anything was to be done it would only be an attempt on the part of the respondents to set the case for trial before the time for the return of the summons. Davis glared at Mr. Highton in his usual ferocious way while addressing his remarks to the court and when he had finished, the latter arose and stated that he wasn't used to having attorneys "jumping down his throat." "I am not in the habit of indulging in personalities myself, and I object to the conduct of counsel," said Mr. Highton. Davis left the court room telling everyone in the neighborhood that it was only an attempt to get newspaper notoriety, while Highton said that Davis was trying to be a bully, but he didn't intend to be bulldozed by him.

EXPENSES OF THE Y. W. C. A.

The Lunch Room Pays for Itself But Gives No Profits.

Among the reports read at the annual meeting of the Y. W. C. A., on Monday evening, none indicated the prosperity of the Association more than the financial statement which gave a cash balance of \$670. The total receipts were about \$4900, and the expenses were necessarily large owing to the additions and improvements in the quarters, which now take in half of the entire upper floor of the Boston block. The lunch room was operated at a cost of about \$1200, with receipts \$3 in excess of that amount. This room, which is conducted as a benefit to the members, is not a money-making feature, the plan being to make the expenses and receipts balance at the end of each year. The room has grown in popularity until the dining space had to be enlarged, there being nearly 60 lunches served every day—lunches of the daintiest dishes. The membership was shown to have grown largely during the year, the re-

port of the membership committee being as follows: Membership October 1, 1921, 283; lost by removal, 69; lost by death, 1; new members this year, 210; total resident members, 433.

The physical committee reported encouragingly of this important branch of the Association work, and gave much credit to Miss Lillian Bacon for her excellent instruction. The committee reported that a number of extra classes would be formed, enabling the business women and teachers to take advantage of them. The classes will be as follows: Ladies, Tuesday and Friday, 9:30 a. m.; Girls, Monday and Thursday, 2:15 p. m.; Teachers, Saturday, 9:30 a. m.; Children, Saturday, 10:30 a. m.; Evening, Monday, 7:30 p. m.; Business, Wednesday, 5 p. m. Basketball practices will take place out of doors. On alternate Saturday afternoons the di-

rector will conduct outing expeditions. Mrs. Brown, the general secretary, in her report says: "Many and great are the constant demands upon one's love and sympathy. Hardly a day passes without its story of trouble and loneliness. Very few prove unworthy of our confidence and many are real heroes in the battles of everyday life, and it becomes no duty but a privilege to cheer them onward with our love, our sympathy and our friendship." The new chairmen of committees for 1923-1924 were announced, as follows: Social, Mrs. Dr. Mays; educational, Mrs. O. H. Walker; finance, Mrs. B. L. Marx; membership, Miss Emilie Schnoor; physical, Miss Lillian Bacon; strangers, Mrs. G. W. King; music, Miss Carrie Castle; boarding home, Mrs. F. J. Lowrey.

Lumbago 30 Years

A Remarkable Cure Performed by Dr. McLaughlin's Electric Belt.

A man recently told me that he had had lumbago for twenty years, and it had never laid him up yet, though he felt badly at the time. He was carried from his work in a hack two days after, and was in bed when he sent for my belt. It cured him. Get it before you are laid up. It will cure you quickly, and your trouble will never come back. Call and see it, or sent for book of proof. Send this ad.

Dr. McLAUGHLIN—Dear Sir: I suffered from lumbago pains and sciatica for 30 years before using your Electrical Treatment, and in two months your wonderful Belt entirely cured me. Appreciating the excellence of your method, I am, yours truly, HUGH FRASER, 219 1/2 Elm avenue, San Francisco.

And some people are content with pasting porous plasters on their backs to get the little relief they give. Lumbago is a condition which can be cured by Electricity as I apply it. I can tell you of hundreds of other cures. My Belt pours a gentle, glowing heat into the back and cures it to stay cured.

Dr. M. G. McLaughlin, 906 Market St. San Francisco, Cal., U.S.A.

Catarrh

Catarrh is a dreadful disease that comes sneaking along for years, gradually growing worse and worse—gradually spreading from the nasal cavity to the throat, to the bronchial tubes and on to the lungs, spreading over the delicate network of membranes—causing a vile and poisonous discharge, a discharge that is filthy and foul-smelling.

Often this discharge is not coughed or hawked up, but slides down to the stomach where it upsets the digestive organs and causes all sorts of disturbance—finally getting into the blood and weakening and impoverishing it.

Catarrh is a long story, full of troubles and misery until it finally controls the whole system and eventually destroys it.

A cold in the head is generally the beginning of catarrh, and chronic catarrh is a difficult disease to cure.

Halpruner's will check a cold at once—Halpruner's is fine for colds—it knocks out a cold in a few hours—it just drives it right out of the system and gives you quick and satisfactory relief.

So stop your cold with Halpruner's and keep up the treatment for catarrh—take Halpruner's internally to remove the cause and spray the medicine, diluted with water, up the nostrils to clean out mucous and phlegm and allay the inflammation and soothe the soreness.

Keep up this treatment conscientiously and regularly and your catarrh will gradually disappear.

Do not get discouraged if you are not cured in a day or a week. Remember this—you have had catarrh for many years and it has a strong hold on your system and you must not expect to get rid of it at once. But keep up the treatment and you will cure yourself entirely.

THE RESULT.

A sitter can not be posed in a moment. To secure good pictures one must take time to study the mood of the sitter and give him the opportunity to become at ease.

We pursue this course and the result justifies the time and patience used.
