Hawaiian Tribe No. 1, Imp. O R M., meets at the Wigwam, Fort st., this *sleep*, at the 7th run, 30th *breath*.

Mr. E. P. Adams sells stock of Dry Goods at the store of T. Assee to-day. See advertisement in another column.

The tern Sadie F. Caller sailed for San Francisco yesterday. She carried away 11371 pkgs of sugar, 5 bales of wool, and 207 bunches of bananas. Domestic val., \$71330 82.

Of the new Postal Cards that have come to hand, the first one addressed was to H. R. H. Princess Liliuokalani, yesterday, being the 1-cent denomination.

Messrs. F. A. Schaefer & Co. have chartered the schooner Leo, and will dispatch her for San Francisco. She will sail next Tuesday or Wednesday.

It has been suggested, that prior to departure of the Planters to their respective fields of labor, their agents give them a ball or dinner as a token of their appreciation of the large quantities of the staple product that is now coming in from all quarters. Next Monday would probably be a fitting time.

The new Postal Cards, of the "Universal Postal Union," and also for the Inter-Island service, have just come to hand at the Post-Office. They are very neatly gotten up, those for transmission to the U. S. or Canada having a tiny vignette in the right hand upper corner of Diamond Head and Waikiki-Kai, within a 2-cent stamp; the 3-cent card, for transmission to Europe has similarly placed a crossed torch and *puloulu*. In the upper border of each are the words, "Kalakaua R. 1881," and in a scroll over the word "Hawaii," the words "Universal Postal Union," and "Address on this side only." The Card for Inter-Island use—one cent—is printed in carmine, with a vignette of H. R. H. Princess Liliuokalani. The new postage stamps received are vignettes of His Majesty the King, the Queen, and the Princess Likelike, respectively of the denominations, ten, fifteen and one cent.

On Thursday morning, about 2 o'clock, Roderick, the keeper of the Likelike Coffee House, on Queen street, next to G. West's Carriage Manufactory, heard his seven dogs barking, and got up and lighted a lamp, and saw some persons running away. It was found that another safe-smashing operation had been attempted. The burglars had forced the window of Mr. West's office, and with tools taken from the shop they endeavored to open the Macneale & Urban safe, but which they cut and hammered without avail, twisting the door knob out of shape. They didn't get \$3000 second of Exchange in San Francisco, (first paid.) We are informed that every day, before 3 o'clock P.M., Mr. West's book-keeper lugs a sack of coin to the bank of Bishop & Co., and that on the door of the safe in question is written, "No Funds."

NOTICE—The Draying Business of my late husband will be carried on by me, in the same manner as heretofore. VICTORIA WARD.

## Planters' Convention.

Yesterday was held the meeting of "The Planters' Labor and Supply Association," which has recently been chartered, and as it is understood to be a sort of supplementary body to that which has been in session since Monday, the latter has awaited the action of the former. At the meeting yesterday, the charter was accepted, Constitution and By-laws adopted, and officers elected. The Board of Trustees consists of—A. S. Hartwell, Z. S. Spalding, S. T. Alexander, W. G. Irwin, J. H. Paty, J. C. Glade, E. P. Adams. President, S. T. Alexander; Vice-President, W. G. Irwin; Treasurer, J. H. Paty; Auditor, J. C. Glade; Secretary, E. P. Adams. The Planters' Association, by invitation enjoyed the hospitalities of J. C. Glade, Esq. last evening at his residence, Maemae; this evening they will be similarly entertained by P. C. Jones, Jr.

The schooner Leo, Capt. Harrington, which arrived Wednesday evening, 22 days from Bolabola, brought 1 passenger by the name of Trask, and 52 cords of wood for this port, and has 1650 cocoanuts on board in transitu for San Francisco. Capt. Harrington reports having experienced very squally weather in the South Pacific, from the equator, to Lat. 15 N., from thence he has had moderate winds and fine weather; until the last eight days, during which he has had light winds and calms.
