ADVERTISING is the education of the public as to who you are, where you are, and what you have to offer in the way of skill, talent or commodity. To deceive is to beckon for the Commissioner in Bankruptcy. Nothing goes but truth. Let the truth be known. The only man who should not advertise is the one who has nothing to offer in way of service or one who cannot make good. He should seek the friendly shelter of oblivion, where dwell those who, shrouded in Stygian shades, foregather gloom, and ignorance of circumstance. Not to advertise is to be nominated for membership in the Down-and-Out Club.—So says Elbert Hubbard.
