Cumulative Preferred Shares of Hunt Brothers Company, of California

Dividends Payable Quarterly, January, April, July, October

The Hunt Brothers Company is engaged in the business of packing California fruits and vegetables, and is one of the well-known, long-established houses of California.

The Company is also well known in Honolulu as being the sole agent for the Hawaiian Pineapple Company, its success in selling the output of this Company having contributed largely to the development of the pineapple industry in Hawaii.

The offer of the Company's Preferred Shares in Honolulu is calculated to meet a demand for a form of investment yielding more than Savings Banks or high-grade bonds, and practically embodying the features of a first-mortgage lien.

The popularity of this form of investment is indicated by the fact that in the twelve months prior to June 1, 1912, Eastern financial houses issued and easily marketed \$170,000,000.00 of preferred stocks of conservative manufacturing and public service corporations. Most of these were cumulative preferred paying 5 1/2 to 7 per cent.

Four Hawaiian corporations have issued preferred shares aggregating \$1,265,000.00; of this amount, \$300,000.00 being 7 per cent cumulative preferred, \$150,000.00 6 per cent cumulative preferred, and \$515,000.00 6 per cent non-cumulative preferred. These shares are all held in large blocks by few investors.

The Preferred Stock Issue of Hunt Brothers Company meets all the requirements of the standard issues.

STRONG FEATURES OF THE ISSUE

- 1. ASSETS. In case of liquidation or dissolution, the preferred stockholders will be entitled to their money in full, with accrued dividends, before any distribution can be made to the common stockholders.
2. NO MORTGAGE OR EVIDENCE OF INDEBTEDNESS running over our year can be placed upon the Company's property without the consent of two-thirds of the outstanding preferred stock.
3. DIVIDENDS TO COMMON STOCKHOLDERS. No dividend can be paid to the common stockholders at any time that the net quick assets in excess of liabilities are less than 90 per cent of the par value of the preferred stock then outstanding - "quick assets" meaning Cash on hand, Accounts Receivable and Merchandise on hand.
4. INCREASE OF CAPITAL. No further issue of preferred stock can be made without the consent of two-thirds of the preferred shareholders.
5. NET ASSETS. Three times the amount of the preferred stock.
6. NET EARNINGS. Three times the amount required for dividends on preferred stock.

The Company has the privilege of retiring the whole issue or any part thereof after January 1st, 1915, at \$110.00 a share and accrued dividends.

A favorable opinion as to the legality of the issue of this preferred stock has been given by Messrs. Kinney, Prosser, Anderson and Marx.

Application will be made to list this stock on the Honolulu Stock and Bond Exchange.

U. S. District Attorney R. W. Breckons intends urging the passage of two laws providing for the compulsory support of children by careless fathers. One of these proposed measures will cover desertion by a father and husband, forcing him to give surety to provide for his children, and failing in that to imprison him, allowing a portion of his earnings while in prison to go to the maintenance of his family. The other measure would hold the father of illegitimate children responsible for their upkeep, until they are at least fourteen years of age.

FIVE HEADLINERS AT YE LIBERTY

Again is manager McGreer of the Liberty to be congratulated in his selection of talent, and, with five headliners on the bill, the comfortable play house is becoming more popular than ever. Jeanie Fletcher, comic opera's prima donna, and late of the Pantages circuit, tops the bill this week, and made her first appearance before a Honolulu audience last night. She is a very clever singer, and her habit of interspersing popular songs with those along more classical lines, makes a decided hit, and she was forced to respond to several curtain calls last night.
Miss Martha Golden, the ever popular favorite with "the front of the house" gave several clever impersonations of famous actresses last night, and those who have seen Billie Burke, act will admit that Miss Golden takes her off to perfection. Her impersonation of the French-Canadian boatman was good. The Pla Trio introduced several new selections last night, and were called back more than once. The three Musketeers, Bravo, Porchina, and Chilli, are still favorites with the Liberty audiences. Chilli, who plays the piano accordion, is an expert when it comes to squeezing ragtime out of the instrument. This trio also introduced several new selections.

AT THE HAWAII

If you are tired, if you want to laugh heartily, if you want to be serious, and above all enjoy a good show, then go to the cozy little Hawaii for you can get them all there tonight. The entire program consists of comedy and drama films, the hard life of a "Cowboy Artist" is the feature of the evening and brought forth many a laugh last night at the different ways the cowboy tried to get acquainted with a new arrival at the X Y Z ranch. "A Noble Enemy" is a fine naval picture and "A Child's Voice," a Biograph picture is splendid.
