

No Amount Too Small

The idea that any kind of money can be too small to count is an old one. It is the money lenders' motto and the poor man's curse.

Don't think that the surplus you can save is too small to count. It is the small amount that counts.

Save a savings account with the Bank of Hawaii. It is the best way to save. You will find a nice sum to your credit.

The Berlin government today sent an ultimatum to Serbia regarding the dispute over Albanian ports, according to an announcement made in the Berlin Telegraph today.

A message from Vienna also quotes the Reichspress as saying that Austria and Serbia are on the eve of war. Disruption of the Austrian Empire is predicted in Belgrade if Austria declares war.

It is claimed by Serbians that in such a case the Austrian provinces of Malmitia, Herzegovina, Bosnia, Croatia and Slavonia, which are largely peopled by Serbs, will revolt against Austrian domination and will join the Serbian Kingdom.

A dispatch from Sofia states that Turkey has agreed to the Balkan terms of peace, but it is believed the announcement is premature.

Diplomats are confident that Turkey has agreed to the demands of the Allies and that a peace pact will be signed without undue delay.

The United States has called the Balkan Allies and Turkey to permit a party of American army officers to join their forces and go over the fields on which some of the greatest battles of modern times have been fought within the last few weeks.

The Berlin surgeon, Professor Israels, has been summoned to Warsaw, Poland, where Doctor Fedoroff has been in attendance since the Russian Imperial family returned from Spain, since a dispatch from St. Petersburg.

The summons points to the continued gravity in the illness of the young crown prince. The court doctors admit it is a serious surgical case.

The Chronicle today says that James H. Esch, of Georgia, is Frank McGeath, Wilson's choice for Governor of the Philippine Islands, in the case of James McGeath Blood, who was President Cleveland's special commissioner to Hawaii.

Asked regarding the report that President-elect Wilson had asked him to accept the secretaryship of state and that he now is enroute to Bermuda to confer with him, William Jennings Bryan today sent the following cablegram from Savannah:

"I have had no conference with Mr. Wilson and never discussed any office with him. I have no intention of going to Bermuda."

Cornel Thompson has been appointed treasurer of the United States by President Taft to succeed Lee McClung, who resigned recently.

Confirmation has been received of the great destruction caused by the hurricane in the western part of Jamaica. Floods which accompanied the storm caused immense damage, a hundred houses being blown down.

The Governor of Jamaica has left on a special train accompanied by a detachment of artillerymen who have taken with them two hundred tents and foodstuffs.

President Taft will begin tomorrow the actual dictation of his annual message to Congress to be sent in at the opening of the session next month.
