

IN THE WOMAN'S WORLD

Woman's Board of Missions Opens Annual Series Today Activities Of Year To Be Reviewed...Course Of Study For Next Year Is Outlined

The Woman's Board of Missions of Central Union Church opens its forty-second annual series of sessions this afternoon at half past two o'clock in the Church parlors.

The course of study that will be taken up by the board this year will be on "The Comparative Religions of the World." The first paper is to be read this afternoon by Mrs. Joseph Emerson.

CHILD IS SPOILED BY PARENTS' LAXITY

A young mother with her only child, who had not seen more than five summers, called at the home of a friend the other day, who was much put out at his behavior.

They are much in evidence when they are not wanted. Strange to say, it is the small boy who most frequently misbehaves in company. Notwithstanding the fact that it was five or six years ago that the traditional...

Some years ago a young nation ran into the habit of kissing the rote good-bye before going to church to hear a discourse by a noted speaker.

Just why and just how mothers spoil their children no one seems to know, yet everyone including the mothers themselves, deplore the fact that there are refractory children.

Naturally every word that is uttered by her baby seems wonderful to a mother, but not so to those around her, and when once a child has said something that is in a way funny, the next door neighbor is not always anxious to hear of it, and, too, when his smart sayings are constantly repeated within young America's hearing, the results are not always desirable.

ONE OF SECRETARY KNOX'S RIGHT-HAND MEN IS A WOMAN

One of the foreign diplomats called at the State Department recently in a great hurry in quest of information concerning an intricate question of diplomatic procedure.

When the delegates first arrived at the Hotel Plaza, in Buenos Ayres, for the official afternoon reception, the question came up as to the proper dress for men. The same dress as in the United States, correct afternoon attire, was the information volunteered from a dozen sources.

Leading Woman Diplomatist. The diplomatist now shares the view of State Department officials that Miss Hanna is by all odds the leading woman diplomatist of the United States.

Prof.'s Spanking Machine Makes Wife Angry. CHAMPAIGN, Ill.—Because his wife objected to his using a mechanical device invented by him at the University of Illinois for punishing their child, Professor Duff Andrew Abrams beat her and she had him arrested.

She accompanied the American delegation to The Hague several years ago, and her French was a "life saver" to several of the Americans who could not speak a word of it.

RECREATIONS

"BOY AND GIRL" SCORES HEAVILY

With the catchy words and music of "O, Gee, We're Married" ringing in their ears the audience which filled out of the Hawaiian opera house at the close of the performance last night was unanimous in voting "The Boy and the Girl" the best play staged by the Ferris Hartman Opera Company since its arrival here.

Walter DeLeon, the author, with Miss Muggins Davies, scored the high honors for the evening and received a truly royal reception.

"The Boy and the Girl" is excellently staged and the company moves through it with vim and dash so that there is not one dull or dragging moment during the evening.

"JUST FOR A KID" GETS CROWDED HOUSE

"Just for a Kid," undoubtedly the best skit staged here by the Teal company, played to a packed house last night. The sketch abounds with amusing situations and the lines are good, so that the performance is one well worth seeing.

The Teal will close their Honolulu engagement tomorrow night with a chorus girl competition for a prize offered by Raymond Teal.

Judge Hanford, recently deposed from the Federal bench at Seattle, has distributed among his friends a printed pamphlet in his own defense.

Postmaster General Hitchcock has authorized the expenditure of \$1,000,000 in promoting clerks and assistant postmasters.

As a result of the recent news famine in London owing to the fire in the general postoffice, plans for wireless stations for use in future like contingencies are being considered.
