A British syndicate has put up money to dig deep into an Arizona lode for an enormous diamond supposed to be buried there. Rebels ambushed a Mexican federal force and completely routed them at Monterrey, Mexico. Cuba is threatened with bankruptcy, the treasury being empty, and the government having already defaulted on some of its bonds.

## FIRE-FIGHTER RETIRES; 'PALS' GIVE HIM WATCH

An agreeable surprise was tendered Augustus Deering, who recently resigned as assistant chief of the fire department, yesterday afternoon at central station when Chief Thurston, in the presence of the firemen, presented him with a gold watch as a testimonial of their esteem. Chief Thurston, in his presentation remarks, expressed his appreciation of almost twelve years and wished him success in his proposed business venture. The gift was contributed to by the chief and forty-six firemen, and in accepting it, Mr. Deering spoke of the loyalty of the Honolulu firemen to the department and the pleasure of working with men who so earnestly performed their duties. He said that the watch would be a constant reminder to him of the pleasant associations he has had with them and the admirable manner in which they had assisted in giving the city better fire protection. Mr. Deering retires from the fire department to enter into the automobile service.

William Wallace Blaisdell has been chosen by Chief Thurston as his new assistant. Blaisdell has been with the department in various capacities since June 15, 1901, and has an excellent record. Beginning as hoseman, he was promoted to captain of Engine Company, No. 4, at Palama, and later to chief engineer at central station, from which position he has now been raised to assistant chief. He is the son of Mrs. C. A. Blaisdell, proprietress of the Majestic Hotel, and is receiving the congratulations of his fellow firemen and many friends upon his deserved promotion.

## INTER-CHURCH FEDERATION TO ELECT OFFICERS

The annual meeting of the council of the Inter-Church Federation of Honolulu will be held at 1 o'clock tomorrow afternoon at the Young Men's Christian Association for the purpose of electing officers for the coming year and transacting several items of important business. There will be reports of the different committees on the work they have done since the organization started on the first of June.

Preliminary arrangements will be made centering on the arrival of Harry N. Holmes, who is the organizing secretary for the Men and Religion campaign. Mr. Holmes will be in Honolulu from October 17 until October 25 to organize the local committees in cooperation with the Inter-Church Federation in preparation for the Smith-Robbins visit the latter part of January.

The Christian Extension Movement of last year was the largest religious effort that has ever been made in Honolulu. The Men and Religion campaign in January will be a much greater one, but of a different nature. The object of this movement is to train workers for Christian service rather than the conducting of evangelistic campaigns, although there will be evangelistic meetings in connection with the instruction. It should be emphasized that the object of these Men and Religion campaigns is not the organization of new agencies, but the stimulating and making effective the organizations already in the field, such as church clubs, Bible classes, Sunday schools, Y. M. C. A. and young people's societies.

The second item of importance that will be discussed at the meeting will be that of the coming of the Chautauqua Embassy in 1913. There is a great project on to organize a group of speakers who will tour the world, reaching Honolulu in the fall of 1912, and who will speak on the interest of righteousness and peace. The group will consist of such speakers as William Jennings Bryan, David Starr Jordan, Dr. Charles F. Aked and Bishop McConnell.

The advance agent of this embassy will be in Honolulu in a few weeks and wishes the Inter-Church Federation to cooperate in the world tour of the above speakers.

Liquor Inspector Fenwick repeated his call on "Camp 2" last night and gathered in B. Moses a Hawaiian, the proprietor of an alleged blind pig. Marked money will figure in the evidence.
