A-H's New Ships.

Seattle Times, June 9.—The American-Hawaiian Steamship Company has awarded the contract for three 9000-ton steamers to the Pennsylvania Steel Company of Sparrows Point, Md.

The business interests of the Hawaiian Islands have been clamoring for a direct line between the islands and Puget Sound and shippers have understood that when the railroads now building into this port were completed the direct service would be possible.

Shipping Notes.

The German ship Alexander Isenberg sailed June 20 from Hamburg for Honolulu with a cargo for Hackfeld & Co. and the Pacific Fertilizer Company.

C. P. Morse, general agent for the American-Hawaiian company at this port, plans to take a vacation about next October, spending much of his time on the Coast.
