

Japanese Naval Fighters Inspect Plantations On Island

Oahu Officials to Dine Aboard Mikado's War Vessels

Japanese naval chiefs aboard ship: Front row, left to right—Capt. Naomi Taniguchi, commanding H. I. J. M. S. Tokiwa, flagship of the squadron; Rear-Admiral Toohitaka Iwamura, commanding the squadron; Consul General Rukuro Moroi, in charge of H. I. J. M. consulate general of Hawaii; Capt. Shichigoro Saito, commanding M. I. J. M. S. Yakumo. Rear row—Tadanao Inai, vice consul; Staff Commander Yukichi Shima, Staff Lieut. Yoshitaka Suzuki, aide-de-camp to Rear Admiral Iwamura.

Sugar plantations and pineapple canneries of Oahu were visited today by Rear Admiral Iwamura, his staff, and the midshipmen of the Japanese naval training squadron.

The admiral and staff officers left by automobile from the flagship Tokiwa about 3 o'clock accompanied by prominent Honolulu Japanese acting as guides and explaining the processes of the Oahu Sugar Company's mill at Waipahu and the pineapple canneries of Wahia.

Midshipmen from both cruisers were taken from the warships to the O. R. & L. station in automobiles, and there they boarded a special train which conveyed them to both places. They will all return about 5 o'clock this afternoon.

Early tomorrow morning the midshipmen will put on their hiking uniforms and climb to the summit of Tantalus.

At 12:30 tomorrow afternoon Rear Admiral Iwamura will entertain with a luncheon on board his flagship, invited guests including army, navy and territorial officials of this island.

Exemplifying the friendly relations existing between Japan and the United

States, the reception held from 4 to 6 o'clock yesterday afternoon at the Japanese consulate general, made a most impressive picture.

American and Japanese uniforms blended harmoniously, with Occidental and Oriental dress worn by the women guests lending a picturesque environment to the scene, while the training squadron's marine band and the Hawaiian band played a program appropriate to the occasion.

The reception, which was the first formal affair held in Honolulu since the Tokiwa and Yakumo arrived, was given at the residence of His Imperial Japanese Majesty's Consul General Rukuro Moroi, honoring Rear Admiral Toohitaka Iwamura, commanding officer of the Japanese naval training squadron.

Those who formed the receiving line were Consul General Moroi, Admiral Iwamura, Capt. Naomi Taniguchi of the Tokiwa and Capt. Shichigoro Saito of the Yakumo. Vice-Consul Tadanao Inai assisted and the staff of the consulate general assisted in receiving the guests, who were representative government officials and businessmen, Caucasian and Japanese,

of Honolulu.

In addition to the officers of both cruisers, the midshipmen of the training squadron, 100 strong, dressed in their white uniforms with regulation side arms, the short Japanese dirk, were present, a fine body of young, well trained men.

The list of guests invited to yesterday's reception follows:

Governor Lucius E. Plakham, Secretary and Mrs. C. P. Jaques, Attorney-General and Mrs. I. M. Steinbeck, Mr. and Mrs. Saitaro Aoki, Mr. and Mrs. C. R. Forbes, Mr. and Mrs. H. W. At 5:30 this afternoon the Pan-Pacific Club entertains with a supper in the Lanika theater the midshipmen from the squadron. Following the supper the Japanese Y. M. C. A. will give an entertainment program. The club is entertaining the Hawaiian band, which during the evening will play both as a band and a club, singing "the best of the genuine old Hawaiian songs."

Among the speakers will be Mayor Lane, Alexander Hume Ford, former Governor Frear and W. D. Westervelt. There will be several Japanese speakers, and motion pictures of island scenes are also to be shown. Japanese meals will serve tea and sponge cake made from the recipe brought to Japan by the Spaniards hundreds of years ago.

button to various charities.

The initial roundup was held last year and proved such a success that it was made an annual event. Notwithstanding the fact that an elaborate park with grandstands was necessary for the first show, a nice profit was realized. With its plant all ready and paid for, it is believed that charitable organizations will receive triple what they realized last year.

The best riders, ropers and shooters of the far west are entered in the various riding, rope throwing and bucking contests for which the merchants of the city have contributed liberal cash prizes. Here will be collected the last remnants of the colorful "wild west" of the Custer and "Buffalo Bill" days. Last year 100,000 persons attended the roundup and preparations are being made for an even greater crowd this year. GOLD EXPORTS TO JAPAN DUE TO BIG TRADE

WASHINGTON, D. C., May 26.—Normal trade movements, resulting from an enormously expanding export trade, was the explanation given today at the Japanese embassy for the large withdrawal of gold from America within the last few months.

It was pointed out that America has been obliged to replace in large degree her imports of silk from France and Italy by supplies from Japan. The same is also said to be true of other commodities.

On the other hand, it was said, exports from the United States to Japan, while showing a substantial increase, were far from sufficient to overcome the growing balance of trade in Japan's favor, and that, the embassy explains, caused the rapid increase in exports of gold.

The Japanese embassy has conferred with the treasury department officials regarding these gold exports to Japan, and as a result the treasury department will continue to transfer gold by draft from New York to San Francisco, with exporters paying the cost unless there is some evidence of

an intention of Far Eastern banks to hold gold or to permit it to reach Germany.

EGYPT'S REVENUES HIGH

CAIRO, Egypt.—Government revenues in Egypt have this year risen to the highest point ever recorded, and this has been accomplished without any increase in direct taxation, which is the lowest in Egypt of any country comprised within the British empire. There have been some increases in indirect taxation, however. Railway rates have been increased ten per cent, telegraph and postal rates have been increased in some cases 100 per cent, and the taxes on tobacco, coal and construction wood have been raised.

WORLD'S BIGGEST ROUNDUP IN JULY

[By Associated Press]

SAN JOSE, Cal.—Take cowboys, cowgirls, bucking horses, steers and lariats in equal proportions; add pink, blue, green, yellow, purple and red shirts and bandannas, yells, whoops and shooting; mix thoroughly and serve.

This in brief is the recipe for the dish which will be placed before the public here on July 1, 2, 3, and 4 by the California Roundup Association in which is termed the "World's Biggest Roundup" and to which San Jose "invites the world." Proceeds of the affair are placed in the hands of a committee of San Jose citizens for distribution to various charities.
