FOREIGN DEMAND SUSTAINS STRONG SUGAR MARKET

NEW YORK, N. Y., July 5.—Statistics by special cable.—Cuba.—The entire island: Receipts, 34,775 tons, against 34,895 tons last week, 25,950 tons last year and 18,300 tons in 1915.

Exports, 60,484 tons; stock 698,233 tons, against last year 659,256 tons. Centrals grinding, estimated, 15 against estimated, 24, last week, 13 last year and 14 in 1915.

Stocks in the United States and Cuba together, of 1,004,877 tons against 1,069,753 tons last week and 917,400 tons last year, an increase of 87,477 tons from last year.

Raws.—The market as we went to press last week was strong at 5 1/2 c. (6.40c), and during the greater part of the week the strong tone was maintained. It was only during the end of the week that the market became easier.

The market has been chiefly affected by the demand from England and Cuba, partly to replace sugars sunk by submarines. This European business, which was chiefly done at 50 c. f. o. b. Cuba, amounted close to 100,000 tons.

There has also been a demand for refined from European countries, which caused refiners to purchase freely in competition with the United Kingdom, and prices advanced until 5 1/2 c. (6.52c) was reached for August shipment.

Atlantic ports statistics are as follows: Receipts 43,268 tons, meltings 62,000 tons, stocks, 283,686 tons. Refined.—There has been no change in the situation during this week. American are accepting a limited amount of business daily at 7.50c basis. Howell and Arbuticle continue withdrawn and Federal and Warner quote 8.00c.

At the close there is a somewhat easier tone to the market, especially as regards soft sugars. Some 7,000 to 10,000 tons of Granulated for export have been sold during the week. Present quotation is on the basis of 7.25c net cash, in bond.

Daniel Naone, of 132 Kawahao street, died shortly before 4 o'clock yesterday afternoon at the Queen's hospital. The funeral will be held at 3:30 this afternoon from Silva's undertaking parlors, the interment to be made in Kawahao cemetery.
