Weak Nerves

Are you ever nervous? Do you lie
awake nights, suffer from despondency,
and often feel discouraged? It's a terri-
ble life to lead. Don't suffer in this
way any more. Get strong and well.

Follow the advice of Mrs. Thomas Pritchard,
of Adelaide, South Australia. She sends us
her photograph and says:
"I had a terrible illness which left my
nerves all unstrung. I had severe headaches,
indigestion, sleeplessness, and my nerves
were just as weak as they could be. I then
tried Ayer's Sarsaparilla and I began to im-
prove at once. My appetite returned, my
digestion improved, and my nerves became
strong and steady."

AYER'S Sarsaparilla

There are many imitation "Sarsaparillas."
Be sure you get Ayer's.

Use Ayer's Pills with the Sarsaparilla.
These are purely vegetable pills. They cure
constipation, biliousness, sick headache.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

BEEF TRUST ABANDONED.

Opposition of President to Combines
the Cause.

Chicago, Sept. 24.—The combi-
nation of the great packing-houses
of the country, which has been under
consideration and in process of
actual formation for the last six
months, has been abandoned, at
least for the present, says the Trib-
une. The decision not to complete
the combination is due in a large
degree to the attitude of the Na-
tional Administration toward trusts
as outlined by President Roosevelt
in his recent speeches and to the
possibility that, in the event of con-
solidation, Congress might remove
the tariff on cattle.

It was learned last night that a
final meeting of the heads of the
firms known as the Big Four pack-
ing houses in Chicago had been
held, at which it was agreed to end
all negotiations at once.

This was followed by an order
issued from the offices of Swift &
Co., that the firm's employees
should immediately discontinue the
inventory of property and stock,
which had been ordered and started
for the purpose of tabulating a re-
port of the financial condition of
the company, which was to have
been used as a basis of the division
of shares in the combine.

KNOWS NOTHING OF RUPTURE.

Trouble Believed to be Due to Rival
Claims to Patos Island.

Washington, Sept. 22.—No no-
tice of a strain of the diplomatic re-
lations between Great Britain and
Venezuela has reached the Depart-
ment of State. If such is the case,
however, the department officials
would have no hesitation in ascrib-
ing the cause of the threatened
rupture to the dispute which has
been revived between the two coun-
tries over the ownership of Patos
(or Goose) island, lying in the
Dragon's mouth, between Trinidad
and the Venezuelan coast. Min-
ister Bowen last week informed the
department that the dispute had
taken an acute phase through the
assertion of British sovereignty
over the little island, and as he at
the same time said that Venezuela
had protested against the hoisting
of the British flag it is not doubted
that to this incident must be traced
any serious difference between the
two countries.

TO WRECK CZAR'S TRAIN.

Rails Are Removed on Two Routes
Which Monarch Might Take.

London, Sept. 23.—In a dispatch
from St. Petersburg the correspon-
dent there of the Daily Express re-
ports an attempt to derail the train
upon which the Czar traveled from
Kursk. Rails were removed on the
two routes which the Czar might
travel; in one instance the plot
was discovered and in the other
the train was wrecked. The
Czar reached St. Petersburg safely.

Father McKinnon Dead.

New York, Sept. 24.—A cable to
the Sun from Manila says: Rev.
William McKinnon, who was chap-
lain of the First California Volun-
teers, died of dysentery today in
the Military Hospital here. He
was the most prominent clergyman
in the Philippines. He entered
Manila under the fire of the Span-
iards and influenced Archbishop
Nozeleda to modify his hostility.
Later he organized the public
schools. He labored heroically
during the cholera and smallpox
epidemics, visiting the hospitals
daily. The Spanish Bishop has
offered the Cathedral for the funeral
services, which is an unusual
honor.

Guns for the Bogota.

Colon (Colombia), Sept. 24.—
The Colombian Government re-
ceived from New York by the Pa-
nama Steamship Company's steamer
Allianza, which arrived here last
week, two cannon and a large con-
signment of ammunition destined
for the recently purchased war ship
Bogota, which is expected to reach
Panama in a few days. Six Amer-
ican gunners arrived here yesterday
on the Panama Railroad Company's
steamer Finance. The Govern-
ment expects to receive a further
large shipment of ammunition
shortly.

CUBA INDEPENDENT.

President Palma Asks That Ameri-
can Troops be Recalled.

Washington, September 22.—The
Government of the United States is
to be required to terminate the last
vestige of its authority in Cuba.
The War Department has been ad-
vised formally by the Department
of State that President Palma has
notified Minister Squires that he
desires the American troops re-
maining in Cuba to be withdrawn.
The State Department does not un-
dertake to pass upon this request,
but transmits it to Secretary Root,
holding that the problem presented
is a purely military one, involving
the competency of the new Cuban
Government to take over and care
for the coast defenses now in Amer-
ican hands and thus make sure
that the country is not exposed,
without any military protection, to
a possible foreign enemy. Root
must decide the matter. At pres-
ent there are eight companies of
coast artillery in Cuba.

SOLDIERS IN FIVE COUNTIES.

Situation in Hard Coal Fields Shows
No Signs of Improving.

Philadelphia, Sept. 24.—Of the
ten anthracite coal producing coun-
ties of Pennsylvania, State troops
are camped in five. Despite the
presence of the troops in these dis-
tricts, rioting and general lawless-
ness continues in the entire hard
coal territory from Forest City, Sus-
quehanna county, on the north to
Williamstown, Daughin county, on
the south, a distance of more than
100 miles. The section of the strike
region in the vicinity of Forest City,
which has been comparatively quiet
ever since the strike began, was
greatly wrought up today by
crowds of strikers interfering with
and beating men who had returned
to work, and, as a result, Sheriff
Maxey of Susquehanna county to-
night asked Governor Stone for
troops to assist the civil authorities
to preserve the peace.

Gave Boers \$100,000.

London, Sept. 24.—A dispatch
from The Hague today confirms
the report that the donor of the
\$100,000 sent to Botha for the re-
lief of the Boers was Henry Phipps,
an American, and not "Arthur
White," as announced by the Gen-
eral in Rotterdam Monday. The
money, however, was sent through
Arnold White. Mr. Phipps sailed
for New York today from South-
ampton on the steamer Kaiser Wil-
hem der Grosse.

Henry Phipps is a director of the
Carnegie Steel Company and of
other concerns.

It is said that Mr. Lehman, pub-
lisher of the memoirs of former
President Krueger, has given
Krueger \$150,000 to be devoted en-
tirely to the Boer funds.

In notifying General Botha of
the gift, Mr. Phipps wrote from
Beaufort Castle, Scotland, Septem-
ber 3d, that he and his family had
followed the course of the war with
anxious hearts for the sake of both
sides, that a just ending might be
made.

Papal Delegate at Washington.

Rome, Sept. 24.—The Vatican
has instructed Monsignor Diomede
Falconer, recently appointed papal
delegate in the United States, to
proceed immediately to Washing-
ton, as it considers that that post
has been already too long vacant.

New Ship in Colombia's Navy.

London, Sept. 25.—The corres-
pondent of the Daily Mail at Wil-
lemstad, island of Curacao, reported
the appearance there of the steamer
Libertador, formerly the Ban Righ,
flying the Colombian flag.

ent. The makers of Chamber-
lain's Cough Remedy positively

does not contain opium in any form,
or any other harmful substance.

Accuracy and Dispatch

This is the motto of the Mail Order Department of Cali-
fornia's largest store. Shopping by mail has become, through
our splendid system, as easy and almost as satisfactory as
by personal visit to the store. Twice a year we issue a very
large and profusely illustrated General Catalogue called "The
Emporium Economist," which describes the new fashions;
gives the lowest retail
prices for everything to
eat, drink, wear or use;
tells how to order goods;
how to send money; gives
accurate shopping infor-
mation, etc. Send for a
free copy of the Summer
1901-112-page edition of
"The Economist" now
ready.

Upon receiving your
order no labor is spared to
select from our immense stock the exact article wanted, and
the goods are shipped to you the same day that order is re-
ceived, if possible. Our customers interests we make our
own. If not already familiar with our methods, a trial order
will convince you that it pays to trade with "the big store."
