WHALE-SHIPS supplied with PROVISIONS on the most reasonable terms of the country, for Bills on the United States, when the captain may not have such goods as the government will permit him to sell.

The Commerce of California is increasing; the Farmers preparing to furnish Provisions in more abundance; the Port Charges on a whale-ship but Four Dollars; Wood and Water can be obtained with more ease than in former years, as wells are being built near the beach to conduct the water to the boats. The climate is one of the best known, it being very uncommon for a ship to go to sea with sick men. Ships can be recruited, and provisions taken on board, in twelve or fifteen days—according to the season; and Letters are often sent to the United States in sixty to sixty-five days, via Mazatlan and Vera Cruz. s21
