FORNEY'S OPINION.

Some Ideas on the Deputy Business—A few Extracts.

In response to a request for a legal opinion, bearing on the powers and duties of the board of county commissioners in the matter of allowing clerk hire to assessors and probate judges, attorney Forney of Latah county submitted the following:

The board of commissioners is a tribunal of special and limited jurisdiction. Its powers are specially conferred by statute and its power to act must affirmatively appear. The board has, however, discretionary powers in certain instances: for example, the power conferred by section 6, article 18 of the constitution, in which they are permitted to fix the compensation of such deputies and clerical assistants of the sheriff and auditor as the business of their respective offices may require. This is a legal discretion and should be exercised for the best interests of the county. "The maximum compensation to be paid annually to assessors and tax collectors is limited by the provisions of section 6, article 18 of the constitution to the sum of \$3,000, and he cannot in any event receive a large sum." The constitution contains no provision making allowances for deputies or clerical assistants in any office other than the sheriff and auditor, and, in my opinion, clearly prohibits such allowances to any other officer.

Referring to the remaining question propounded by you, whether the sheriff is entitled to a per diem compensation for attending upon the District Court when in session, I am clearly of the opinion that he is not. Under the old law, this per diem was legally chargeable against the county. But by the adoption of the constitution and the enactment of subsequent legislation this provision was repealed, and the county is not liable for any fees or commissions as hereinbefore stated, unless made so by some express statutory provision.

The foregoing extracts are published in order that both sides of the deputy question may be heard.

Mr. C. F. Davis, editor of the Bloomfield, Iowa, Farmer, says: "I can recommend Chamberlain's Cough Remedy to all sufferers with colds and croup. I have used it in my family for the past two years and have found it the best I ever used for the purposes for which it is intended. 50 cent bottles for sale by all druggists."
