GOVERNOR GOODING IS INAUGURATED

Legislature Convenes and Elects Hunt, Speaker, and Senator Crum, President pro tem.

BOISE, Idaho, January 2.—It required less than 20 minutes to shift the burden of state government from the shoulders of the outgoing to those of the incoming officials and to set the law making machinery in motion. The ceremony, which was witnessed by as many as could crowd their way into the house and senate chambers and galleries, was stripped of all surplusage.

By 11 o'clock in the morning the hallways at the capitol building were crowded and at the noon hour every nook and cranny on the second floor which commanded a view of the ceremony was occupied. The first improvement to attract attention was the manner in which Janitor Maxey had arranged the decorations. Those who were accustomed to sombre walls were pleasantly surprised. The legislators in particular expressed their keen appreciation of the appropriate and bright decorations in the senate and house chambers.

It lacked 15 minutes of the noon hour when Governor-elect Gooding, Mrs. Gooding, Lieutenant Governor Steeves and State Chairman Braly alighted from a carriage at the Jefferson street entrance. Adjutant General Vickers met them at the gate and escorted them between two files of Boise high school cadets which were lined up on either side of the walk, the cadets presented arms as they passed up the walk, the governor and lieutenant governor escorted Mrs. Gooding.

ernor Morrison, "I have the honor and pleasure to present to you the Hon. Frank R. Gooding of Shoshone who has been duly elected to succeed me as governor of the state of Idaho and who desires to take the oath of office."

Governor Gooding was sworn in and instantly a storm of applause broke from the spectators.

In rapid succession the remaining officers were sworn in, Justice Sullivan being presented by Justice Allshie, Lieutenant Governor Steeves by Colonel Allen Miller, Secretary of State Gibson by Chief Clerk Hiatt, Auditor Bragaw by Theodore Turner, the retiring auditor, Treasurer Collin by Deputy Treasurer Coleman, Attorney General Guheen by John A. Bagley, the retiring attorney general, State Superintendent Miss Scott by her assistant, Miss Belle Chamberlain and Mine Inspector Bell by Insurance Commissioner Meyer. Each official was warmly applauded.

The Legislature.

The proceedings of the first day's session of the legislature were brief. In the senate the members were called to order by Colonel Allen Miller, secretary at the last session, and the oath was administered by Chief Justice Stockslager. Lieutenant Governor Steeves delivered a brief address and the caucus nominees were then elected, as follows: Senator G. E. Crum of Nez Perce, president pro tem; secretary, Douglas Hix of Fremont; assistant secretary, Mrs. E. L. Savidge of Ada; engrossing clerk, W. H. Bond of Washington; assistant engrossing clerk, Miss Ella McFall of Lincoln, enrolling clerk, Miss Ada Vandenberg of Bannock; assistant enrolling clerk, Miss Mabel Mallory of Blaine; journal clerk, A. C. Roberts of Ada; chaplain, Dr. I. F. Roach of Ada, sergeant at arms, Morgan L. Perry of Owyhee; committee clerk, Miss Lillian Plowhead of Canyon; pages, Graham McConnell of Ada and George Parkinson of Oneida; doorkeeper, John A. McGinty of Ada; janitor, Harry Clyne of Ada.

The senate then adjourned for the day.

The house was called to order by Representative Turner of Bingham. When the members were sworn in J. Frank Hunt of Bannock was elected speaker without opposition.

The house elected the following officers: chaplain, Dr. C. Ross Baker of Ada; assistant chief clerk, Mrs. Mary A. Wright of Shoshone; engrossing clerk, Mrs. Marie Williams of Ada; assistant engrossing clerk, Miss Nellie B. Ireton of Boise; enrolling clerk, Miss Rowena Hays of Owyhee; assistant enrolling clerk, Will T. Kirk of Canyon; committee clerk, Miss Jessie Gwinn of Lincoln; sergeant at arms, M. M. Mackay of Washington; doorkeeper, R. P. Drury of Latah; janitor, H. N. Maxey of Canyon; pages, I. H. Jensen of Oneida and Lou Dressler of Ada; messenger, Frank Shafer. Will H. Shearer of Ida was elected Chief Clerk. There were many candidates for legislative offices.

Received by Governor Morrison.

Governor Morrison received the party in his office where Attorney General-elect Guheen, Secretary of State Gibson, State Auditor Turner, State Auditor-elect Bragaw, Attorney General Bagley, State Treasurer Collin, State Superintendent Miss Scott and her assistant, Miss Chamberlain, Deputy State Treasurer Coleman, Chief Clerk Hiatt of the secretary's office, Justices Sullivan and Allshie of the supreme court, Mine Inspector Bell, Colonel Allen Miller and others were assembled. A hearty handshaking followed and the quarter of an hour passed in the exchange of greetings and jokes. Everybody was in the best of humor and the time passed quickly.

Promptly at noon Governor Morrison and Governor-elect Gooding linked arms and headed the procession for the house chamber. The members of the house were at their desks, the senators were grouped on both sides of the main aisle and the chamber was thronged with visitors. The visitors were greeted with splendid outbursts of applause.

In the speakers chair sat Chief Justice Stockslager and beside him was Representative Fred J. Turner of Bingham county.

Directly the members of the party were seated Governor-elect Gooding and Governor Morrison stepped in front of the clerk's desk and bowed to the chief justice.

New Governor is presented.

"Mr. Chief Justice," said Gov-

CAUSTON-EMERY

Popular Young Couple Married in Rebekah Lodge Room.

The marriage of Miss Harriett L. Causton and Mr. William H. Emery was solemnized last Monday evening in the lodge room of Loyal Rebekah Lodge No. 43. Including Oddfellows and Rebekahs and invited guests, about 100 were present.

The lodge room had been appropriately decorated for the occasion with palms and evergreens and the colors of the order. Both bride and groom are members of Loyal No. 43.

The ceremony was performed by Rev. O. S. Wilson of Presbyterian Church, using the Episcopal ceremony. With the first strains of the wedding march the groom advanced to the altar escorting the bride's mother. A moment later came the bride, accompanied by her brother, George Causton, and attended by Miss Emma Causton, Miss Rose Perkins and Miss Hyndorn, bridesmaids. James Casey, Jr., and Claud Hyndorn were groomsmen. Over the altar was raised a canopy supported by the following ladies of the order: Mrs. S. M. Bauman, Miss Lizzie McLaughlin, Miss Mabel McNear and Miss Mamie Shields. The ceremony was very impressive and together with the surroundings it was a very pretty wedding. At the conclusion friends gathered around to offer congratulations.

The wedding supper was served by the Rebekahs in the banquet room, and was such as to reflect great credit upon the ladies who prepared it.

The bride and groom were presented with a handsome silver tea set on behalf of the lodge by Mrs. S. D. Taylor. They were the recipients of many other nice presents, some having been sent to the home of the bride's parents, Mr. and Mrs. J. Causton.

A pleasant feature of the evening was a serenade by the Bonners Ferry Cornet Band which played a number of entertaining selections.

Both bride and groom have resided here many years and are well and favorably known. It affords the HERALD the greatest pleasure to extend its congratulations and best wishes for their future happiness.

Death of T. J. Hopkins.

The death of T. J. Hopkins occurred at Everett, Wash., on Wednesday morning. Mr. Hopkins is a brother-in-law of T. J. Hollinger and resided here for a short time. He was formerly roadmaster on the Kailisp division, but at the time of his death was in the hotel business. He was a victim of Bright's disease. He leaves a wife and son to mourn his loss. Mrs. Hollinger who is a sister of Mrs. Hopkins left Tuesday morning for Everett and was with her sister in the hour of her great affliction. The deceased was about 48 years of age.

The Orchestra Ball.

The ball given New Years Eve by the Panhandle Orchestra was highly creditable to that organization. There was a nice crowd in attendance and the music was splendid. The management was superb and everybody had a good time.

Optician Coming.

Mr. D. Davidson, optician coming from Spokane, will be in the city at Hotel Casey two days, Jan. 11 and 12. He will examine your eyes free of charge. He will be strictly honest in his examinations and will not recommend the use of glasses unless they are necessary. Mr. Davidson will visit your city every two months.

Killed a Mountain Lion

A mountain lion measuring 8 feet, 2 inches, from tip to tip, was killed last Monday by Charles Solomon near his ranch on Skin Creek. He preserved the hide, with the head and feet attached, for mounting. He was in town Wednesday with his trophy which attracted a great deal of attention.

Deputy Sheriff J. W. Hart and Mrs. Edwin Doust, wife of Sheriff Doust, came in from Paradise Valley today on their way to the county seat.

THE HERALD appears this week as a seven column folio instead of a five column quarto. This is a reduction in size, but will only be temporary, as it is our intention a little later to increase the number of pages.

The Daily News of Nelson, B. C., came out on New Years with a special edition of sixteen pages, giving a review of the industrial situation in the district situated across the International Line, just north of us. The edition is embellished with numerous half tone cuts showing mines, mills, and other important objects. The articles have been prepared with great care, and the News is to be congratulated on its holiday number.

The county division forces are becoming very active and are preparing to make a desperate fight before the legislature. It is said that Sandpoint and Cour d'Alene, the two proposed county seat towns, have agreed to a plan of division. Cour d'Alene has raised \$2000 and will send two men to Boise to lobby for the bill. Sandpoint has a fund of \$2200 and has only just commenced to collect funds. That town will also send a strong lobby to Boise. It is not unlikely that Kootenai will offer the legislature one of the biggest county division fights ever before that body.

One of the interesting questions that will come before the present session of the legislature will be embodied in a bill to give the holders of timber purchased from the state an extension of time in which to remove the product from the land. Under the terms of the sale, the purchasers were to have twenty years to cut and remove the timber, the title to the land remaining in the state, and all timber remaining on the land at the end of that period to revert back to the state. The bulk of these purchases were made three years ago under the Hunt administration, and there yet remain seventeen years of the time. The large companies claim that this is not time enough to enable them to build plants and manufacture the lumber. They claim that if the extension was granted it would react to the benefit of the state—that more of the product would be manufactured within the state, their plants being constructed larger and on a more permanent basis. On the other hand, many people feel that an extension of time means that the development of this industry will be retarded. They prefer immediate benefits and immediate development which they claim is more likely to result. These conflicting views are likely to result in a very stubborn contest.

WANTED

TO ASK FOR \$30,000

Petitions are being circulated asking the legislature to build a bridge across the Kootenai at this place. The sum to be asked for is \$30,000, that being the amount of the estimate made by Hon. Wm. Ashley, Jr., the engineer. If the people expect favorable action on this subject they must get in and hustle.

Entertained

Miss Ethel Rickard entertained a number of friends at the Rickard home last Saturday evening. Except a few near neighbors the guests were from Sandpoint, as follows: Miss Maud Kearns, Miss Jessie Murray, Miss Lina Lee, Miss Mae Lee, Miss Olive Page, Miss Tillie Tompison, Messrs. Wm. Ames, Jas. Bales, Samuel Yoder, J. Tompison, E. Tompison, Orval Frazer, and E. Tompison.

Struck by a Train.

Coroner T. A. Bishop was called to Sandpoint Monday to hold an inquest over the remains of Fred Skag, a man found dead near the N. P. track just east of town. A bruise on the head indicated the theory that the deceased had been struck by a train. When last seen alive he was under the influence of liquor. His home was at Sparta, Minn., where he has a family. He had been working in the logging camps.
