Bonnors Ferry Herald
SATURDAY, NOVEMBER 4, 1905
ESTABLISHES THE STANDARD
The Oriental Limited of the Great
Northern Railway, a Marvel in
Train Equipment.

The hardships and deprivations
of an overland trip in the early
days of the Northwest are known
to all who read. In this early day
a trip across America meant ten-
fold the danger that a trip around
the world means today. What
wonderful changes have been
wrought and what was considered
a hardship fifty years ago, which
few could combat, is today a pleas-
urable pastime—something to an-
ticipate, something to delight.
Immeasurably more so is this
the case since the Great Northern
placed in service their regal train,
"The Oriental Limited." The fact
must be considered that in under-
taking a journey of several thou-
sand miles the ease and comfort
with which it can be accomplished
is a first consideration. In the
contemplation of a journey the
traveler selects that means of trans-
portation which affords him the
quickest, easiest and most comfort-
able trip. It is no exaggeration to
state that the "Oriental Limited"
is the fulfillment of inventive gen-
ius in train equipment. Few peo-
ple realize the care bestowed, the
complicated, smoothly working
mechanism which makes the whole
a thing of beauty and perfection in
the art of transportation.
"The Oriental Limited" is made
up of a locomotive of the most ad-
vanced and powerful type, elegant
day coaches, seating 84 people; new
tourist sleepers, which have been
such a feature of the Great Northern
overland trains; new dining cars;
palace sleeping cars; and, what is
a decided innovation in transcon-
tinental train equipment, a compart-
ment observation library car.

dated July 1, 1905, payable twenty (20) years
from date thereof, or at the option of trustees
of said district, No. 11, bearing interest not to ex-
ceed Six (6) per centum per annum.

clerk of said district, Bonnors Ferry, Kootenai
county, Idaho.

ALIAS SUMMONS.
In the District Court of the First Judicial
District of the State of Idaho, in and for the
County of Kootenai,
Rachel L. Woodhouse, Plaintiff, versus Fred-
erick S. Woodhouse, Defendant.
The State of Idaho, to Frederick S. Wood-
house, the above named defendant:
You are hereby notified, that there is now on
file in this court, in the clerk of the district
court of the First Judicial district at said state
in Rathdrum, county of Kootenai, the com-
plaint of the above named plaintiff, wherein it
is sought to obtain a judgement and decree
against you, dissolving the marriage hereto
existing between plaintiff and defendant; that
plaintiff be awarded the custody of Mary Louise
Woodhouse, the minor child of plaintiff
and defendant; that the interest and title
of plaintiff in and to said land described in
plaintiff's complaint, be confirmed and the
same be decreed and awarded to plaintiff; that
plaintiff have and recover from the said defen-
dant the costs of this action, including an at-
torney's fee of One Hundred (\$100) Dollars,
and for permanent alimony in support of
plaintiff and her said minor child, in such
sums as may to the court seem just, and for
general relief.
The grounds upon which said judgement and
decree are asked are that defendant has treat-
ed plaintiff in a cruel and inhuman manner,
inflicting upon her grievous bodily and men-
tal suffering, has accused her of unchastity,
and has struck and bruised plaintiff and other-
wise cruelly mistreated her. It is also alleged
that a division of the community property has
been effected between the parties and that
plaintiff has been awarded the interest in
certain real estate in Stevens county, state of
Washington, all of which is more fully set
forth in plaintiff's complaint, reference to
which is hereby made for further particulars.
And you are also notified that unless you
appear and answer the said complaint within
ten days after the service hereof, if served
within Kootenai county, and within twenty
days if served out of county, that within
the said judicial district, within forty days, if
served out of said district, (exclusive of the
day of service), the plaintiff will apply to the
court for the relief demanded in plaintiff's
complaint.
