## HEYBURN'S RATE REGULATION VIEWS

The Senator has been misrepresented, and is more Radical than Roosevelt.

Some newspapers have recently been trying to place Senator Heyburn in a false light with respect to the proposed railway rate legislation, and to give the idea that he is not in harmony with the method favored by President Roosevelt. This is very unfair to the Idaho Senator for the reason that President Roosevelt has no settled plan of rate regulation. The President is in favor of some kind of railroad rate regulation, and so is Senator Heyburn, but as the President has not yet signified his desired bill, it is most unfair to say that Senator Heyburn is not in accord with the President on this matter. On the other hand it must be remembered that Senator Heyburn last year introduced a bill for the control of railroads which was considered much more radical than

the Esh-Townsend bill or any other prominent bill of that character. It is very likely that the views of the President and Senator Heyburn are almost identical on this line, and if there is any difference it is more stringent regulation than Roosevelt does. Heyburn and French have been extremely lucky this session in securing good seats. Senator Heyburn has a seat formerly occupied by Senator Platt of Connecticut and is considered one of the very best on the Republican side. This is probably the most conspicuous seat ever held by any Senator from the Northwest. Mr. French drew a seat in the center of the Republican side of the House and within a very few feet of some of the distinguished leaders, and also a short distance of his former seat.

**Christmas Ball**  
North Star Camp No. 6160, M. W. A., will give the Christmas Ball this year as usual, it being their 7th annual ball. The ball will take place on Christmas night, in the I. O. O. F. Hall. The supper will be served in the banquet room by W. W. Ferbrache, and all understand what that means. The music will be the best that can be obtained. Tickets will be the usual price, \$1.00 for the ball, and 50¢ a plate for supper. The ball is not given to raise money—all the members care for is to make expenses, so that the receipts will all go towards providing for a good time. Invitation is extended to all. The executive committee consists of W. W. Ferbrache, J. N. McCracken, and E. L. Little.

**Masons Elect Officers.**  
Bonners Ferry Lodge No. 43, A. F. & A. M., elected officers for the ensuing year, at their meeting last Tuesday evening. The following were selected:  
W. M.—S. D. Taylor,  
S. W. F. A. Shultis,  
J. W.—G. R. Gray,  
Treasurer—E. L. Little,  
Secretary—T. J. Jones.

**Copeland Items.**  
Mr. and Mrs. Whitney have returned from a visit to Spokane. Church services at the school house were largely attended last Sunday. One young lady united with the church and will be baptized by Rev. Adams and formally received into the Christian Church in the near future.

A Sunday School has been organized at the school house with the following officers: Mrs. Davis, Sup't; Rev. A. R. Adams, assistant Sup't; Ira Parker, Sec. and Treas. 18 pupils are enrolled.  
On Sunday before Christmas there will be special Christmas services at the school house. Sunday School at 11 a. m., and preaching at 2 p. m. All are invited to come and bring luncheon and have a good social time.

**One Case Proved Fatal.**  
S. McKibben died at the railroad hospital last Sunday night, as a result of the injuries received in the premature explosion in tunnel No. 2, on Twoly's work, last Friday night. The man had a leg broken and was injured internally. Of the other three men injured, one has returned to work, and another is able to be out. The third is in the hospital with a broken leg. Only two of the men were Italians.  
McKibben was a laborer, aged about 45. He had a brother in Washington, who arrived yesterday, but too late for the funeral.

The Spokane & International seems to be able to raise the "dough" to carry on its enterprise. A blanket mortgage, amounting to the snug little sum of \$4,200,000, was recently filed with the county recorder, covering the road, property, and in favor of the Knickerbocker Trust Co. The mortgage was to carry through the bond issue.

Watch the crowds go to Hollinger's store. He has the goods that attract.

J. H. Shavelcar, formerly of this place, now agent at Hope, was recently the recipient of considerable notoriety in the Spokane papers by reason of a charge filed against him in "Justice Dooley's" court in Hope. He was charged with selling a few pounds of meat, cut from a quarter shipped in to some hotel in an at Hope. Justice Dooley is somewhat like his famous namesake and found Mr. Shavelcar guilty. The N. P. R'y officials do not take any stock in the charge as they stand by Mr. Shavelcar and have appealed his case.
