HEYBURN RECEIVES WARNING LETTERS

Detectives Still Working on the Steunenberg Case and Tightening the Coils.

CHICAGO, Jan. 11.—A dispatch to the Tribune from Washington says: Some alarm is felt by the friends of Senator Heyburn of Idaho over a number of threatening letters received by him in the last few months. For a time the senator and his friends, with whom he has discussed the matter, were inclined to look upon the threatening missives as the work of harmless cranks, but since the assassination of former Governor Steunenberg more importance is attached to them.

Threatening letters also have been received by Representative John Cheney, who appeared as the attorney of Governor Steunenberg before a congressional committee at the time it was investigating the Idaho mining troubles. Senator Heyburn has expressed the opinion that the state authorities of Idaho ought to take decided steps to apprehend the writers of the threatening letters.

Steunenberg Case. Interest in the foul assassination of ex-Governor Steunenberg continues at high pitch. Not a day passes without some interesting development in the case, but still the assassination is surrounded with a great deal of mystery. The evidence so far secured is largely circumstantial, but very strong. All the suspects have been released except the accused Harry Orchard. The most interesting

Masonic Installation.

Officers for Bonners Ferry Lodge No. 43, A. F. & A. M., were installed last Wednesday evening. Past Master Cyrus W. Burns officiating. At the conclusion of the ceremonies Past Master Burns made an able and instructive address. Those installed were: S. D. Taylor, Worshipful Master; F. A. Shultz, Senior Warden; Geo. R. Gray, Junior Warden; E. L. Little, Treasurer; Thos. J. Jones, Secretary; C. K. Andrews, Senior Deacon; N. B. Williams, Junior Deacon.

Millwaukee Route in Kootenai.

The C. M. & St. P. Ry will have two lines across Idaho, according to men high in the councils of that organization. The road will enter Idaho from Montana via the Lolo pass, near which point the line will converge into two routes, one heading across to the St. Joe and down that stream to Coeur d'Alene lake, thence onto Wallula via Spokane. The other line will go down the Clearwater river to Lewiston, and thence down the Snake to the Columbia, meeting the other line at Wallula.

An Old Time Supper.

The Epworth League of the M. E. Church will give an Old Times supper, followed by a short musical program at the Oddfellows' Hall, on Friday evening, January 19. Supper 25c. Proceeds to go towards furnishing seats for the M. E. church.

Toy Wing Goes to Pen.

Toy Wing, the notorious Chinaman, captured by Inspector C. K. Andrews, has been taken back to the penitentiary at Boise to serve out the remaining six years of his seven years sentence.

A full account of Toy Wing's notorious record appeared in the HERALD a few weeks ago, including his capture here at Bonners Ferry by Chinese Inspector Andrews, on a charge of unlawful entry into this country. While in custody he was identified as an escaped convict, having eluded the officers of the territorial penitentiary 21 years ago.

The federal officers turned him over to the state authorities. When he has served his time, he will be a subject for deportation, under the charge for which Inspector Andrews made the arrest.

New Train to Bonners Ferry.

Effective tomorrow a new time card goes into effect on the Great Northern.

The most important feature of the new card is that it provides for another passenger train between Bonners Ferry and Spokane, making three passenger trains daily each way.

The train will be known as the Bonners Ferry Local and will leave Spokane at 8:00 a. m., arriving at Bonners Ferry at 12:30 p. m. Returning to Spokane the Bonners Ferry local will leave here at 1:14 p. m., arriving in Spokane at 5:45 p. m.

No. 3 under the new card is due to arrive at 1:14 p. m., and the local will run as a section of No. 3.

Regular No. 3 will make no stops between Bonners Ferry and Spokane, except to discharge through passengers, the Bonners Ferry local will attend to all the local business, stopping at all stations.

The Great Northern had all local passenger service between Bonners Ferry and Spokane a few years ago and it proved a great convenience and very popular with the public, as no doubt this train will.

G. B. Whitney and Chauncey Guthrie, of Copeland, were in town Wednesday and Thursday, figuring on a logging contract.

Prescriptions will receive careful attention at Jones & Bishop's.

The electric light company this week established telephone connection between the plant and the Hotel Casey, and also connected with the residence of T. M. Dennis, the local manager. The phone in the Hotel Casey is for the benefit of the public. Anyone having business with the company is invited by the management to use this phone.

S. W. Roundsville, chief clerk for Winters, Parsons & Boomer, states that his company is figuring on finishing their contract by the latter part of March.

Over a foot of snow fell here in the last 36 hours, but a Chinook wind is blowing this morning.

The board of county commissioners have appointed D. R. Adams as county assessor. Mr. Adams filed his bond and assumed the duties last Monday and quiet now reigns in the county assessor's office, where, for a time, it was thought matters would end in a riot. Coeur d'Alene Journal.

Operate Corbin Trains by Telephone

E. J. Roberts, superintendent of construction of the Corbin line, was in town and out on the line north of here, several days this week. Asked about the proposed telephone line along the road, Mr. Roberts' reply was, "Oh, give us time!" "Then you really intend to construct such a line," was next asked. "Yes, we shall operate our trains by telephone," said the busy superintendent. "The construction of the line is considerably in the future then," was next suggested. "Oh, we can commence laying track next week," said Mr. Roberts.

The HERALD learns that while a few miles of grade are ready for rails on the North end, yet there is an unrecurrent feeling among contractors that no Corbin train will cross the Kootenai before May 1.
