GRAND PREMIUM OFFER!
A SET OF THE
WORKS OF CHARLES DICKENS,
In Twelve Large Volumes,

Which we offer with a Year's Subscription to this Paper for our Regular Subscription Price.
Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a set of the Works of Charles Dickens, in Twelve Large and Handsome Volumes, with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers eclipses any ever before made. Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even now popular to-day than during his lifetime. They abound in wit, humor, pathos, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No home could be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handomely printed from entirely new plates, with new type. The twelve volumes contain the following world-famous works, each one of which is published in a complete, unaltered, and absolutely unaltered form:
DAVID COPPERFIELD,
MARTIN CHUZZLEWIT,
NICHOLAS NICKELBY,
DOMBEY AND SON,
BLEAK HOUSE,
LITTLE DORRIT,
OUR MUTUAL FRIEND,
PICKWICK PAPERS,

BARNABY RUDGE AND CHRISTMAS STORIES, OLIVER TWIST AND GREAT EXPECTATIONS, THE OLD CURIOSITY SHOP AND THE UNCOMMERCIAL TRAVELER, A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF DRWIN DROOD.

OUR GREAT OFFER
To Subscribers TO THE Weekly Times.

We will send the Entire Set of Dickens' Works, in Twelve Volumes, as above described, all postage prepaid by ourselves, also the WEEKLY WOOD RIVER TIMES for ONE YEAR, upon receipt of \$3.00, which is the regular subscription price of this paper. Our readers, therefore, practically get a set of Dickens' works, in twelve volumes, for nothing. This is the grandest premium ever offered. Up to this time a set of Dickens' works has usually been \$10 or more.

Tell All Your Friends

That they can get a set of DICKENS'S WORKS, IN TWELVE VOLUMES, with a year's subscription to the WEEKLY WOOD RIVER TIMES, for the small sum of only \$3.00!

Subscribe now and get this great premium. If your subscription has not yet expired, it will make no difference, for it will be extended one year from date of expiration. We will also give a set of Dickens's works as above, free and post-paid, to any one sending us a club of three (3) yearly subscribers.

NO MORE BACKACHE
OREGON KIDNEY TEA CURES ALL KIDNEY TROUBLES.
Recently the following notice appeared in the San Francisco Chronicle:
"Judge S.—had been sick out about two weeks, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his illness he suffered from diabetes and stomach disorder. Later the kidney refused to perform its functions and he passed quickly away. Thus ended the life of one of the most prominent men in California." Like thousands of others his untimely death was the result of neglecting early symptoms of kidney disease.

IF YOU are troubled with diabetes, gravel, or any derangement of the kidneys or urinary organs, don't delay proper treatment until you are forced to give up your daily duties; don't waste your money on worthless liniments and worse plasters, but strike at the seat of the disease at once by using the greatest of all known remedies, the celebrated Oregon Kidney Tea. It has saved the lives of thousands. Why should it not cure you? Try it. Purely vegetable and pleasant to take. \$1.00 a package, 6 for \$5.00.

C. W. HOLCOMB,
ATTORNEY-AT-LAW,
Office Rooms 611 F street, Washington, D. C.
(P. O. BOX 574.)

Practices in United States Supreme Court, Court of Claims, before Committee of Congress, and in all the Departments of Government at Washington.
Obtains patents to all classes of Public Lands, and gives special attention to contracts before the General Land Office and Interior Department.

Has an experience of eleven years in General Land Office as Chief of Pre-emption Division, Recorder, Chief of Mineral Division, Chief Clerk and Acting Commissioner, and Inspector of Surveyor General, and District Land Offices, and one year as Law Officer of Indian Bureau.
While not presuming to gratuitously advise, he ventures to suggest, as a result of his experience that no land contest can be safely conducted by the best lawyers, at remote points; and that the lawyer in a Land District, who has all his ex parte entries—especially of mineral lands—promptly examined on their arrival at Washington, can, by then curing defects, avoiding delay in patents, and being able to accurately, and at all times, inform his clients of the exact status of their claims, gain a positive business advantage over those who permit their cases to drift without direction.
In cases where good reasons exist, he will undertake to secure issue of patent in advance of the regular order.
All business will receive prompt and careful attention.
