Potent Pill Pleasure.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Fallop of Albany, Ga. says, "During a bilious attack I took one. Small as it was it did me more good than calomel, blue-mass or any other pill I ever took and at the same time it effected me pleasantly. Little Early Risers are certainly an ideal pill. Sold by White & Co., Kendrick, F. M. Snider, Leland."

Boy Cured of Colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Have you seen that instrument at Kerr's jewelry store. It is a peach.

Save the Children.

Ninety-nine of every hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central St., Nashville, Tenn. says: "My little boy is now three years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers. Kodol digests what you eat and makes the stomach sweet. For sale by White & Co. Kendrick, F. M. Snider, Leland."

A petition is being circulated protesting against the granting of the franchise by the state land board to the Idaho Improvement Co of toll privileges on the Clearwater north fork.

As to this petition we ask every man and woman in this section to step up and sign it. Do not wait to have it presented, go and present yourself to it.

The passage of this franchise means the holding of the great white pine belt at the mercy of this corporation and the retarding by years of its natural growth and development.

It is one of the biggest grafting schemes that has come to our knowledge for some time and there are indications that it is liable to pass.

Well, the way to stop an action of that nature is to let the other fellow know how the public stand, so let us do it. Then if the land board perpetrate this outrage the people of North Idaho and every honorable citizen will have a reckoning for them and their following
