

Cash We Need and Cash We Must Have

Owing to the late harvest we find we will have heavy bills to pay before our customers can pay their book accounts.

In view of this fact and to be able to get the discounts on our heavy fall orders we are going to

SELL FOR 30 DAYS, BEGINNING AUG. 27th

Our Dry Goods, Clothing, Furnishing
- - - Goods, Hats, - - -
Caps, Shoes, Underwear and Hosiery

AT A HEAVY DISCOUNT

We prefer to give this discount to our Customers instead of giving it to the manufacturers. This deal is to raise Ready Cash and will only last 30 Days. It is simply what we state: "A 30 day heavy discount sale for cash." A red letter sale for those who attend during this period. You can find bargains HERE every day of the year, and can save money by making US your trading Headquarters in the future, but for BIG savings, for rich, juicy BARGAINS the 30 day sale now on is unequalled. Take advantage of it and save money.

The people of this country certainly know by the bargains we gave them four years ago and again last fall that when we SAY we are going to give them Bargains that we will DO it.

May we have the pleasure of showing you our stock and quoting bargains?

We take this means of cordially inviting you to our store to become a customer and to partake of this BARGAIN FEAST.

Respectfully Yours

Kendrick, Idaho.

sometimes think we are going behind until we visit other places and notice their slowness in comparison to our go ahead methods.

In the columns of the Gazette can be seen the advertisements of the merchants who have prepared for the fall trade; who are known for small profits and lots of sales; whose previous business record are what has made Kendrick; and who are permanent business houses. By advertising they have made our readers acquainted with their stocks and we look for a heavy volume of trade for them. We know that Kendrick is the best trading point this side of Spokane, that she will hold her reputation this fall and the only thing to bear in mind is the old adage "To keep everlastingly at it."

The Water Co is sinking their pipe where it crosses the Potlatch. The bed of the creek at that point is full of large boulders and the company have a heavy contract on their hands in getting their pipe down and holding it.

It is surprising how quickly a genuine bargain sale will be noised through the country. The first day of our Red Tag Sale brought cash receipts that were double those of the day before at McGREW'S.

Potent Pill Pleasure.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot of Albany, Ga. says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue-mass or any other pill I ever took and at the same time it effected me pleasantly. Little Early Risers are certainly an ideal pill. Sold by White & Co. Kendrick, F. M. Snider, Leland."

Boy Cured of Colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis. Mr. Wilkins is bookkeeper for the Shell Lake Lumber Co. For Sale by A. C. White & Co.

Save the Children.

Ninety-nine of every hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central St., Nashville, Tenn. says: "My little boy is now three years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville out failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers." Kodol digests what you eat and makes the stomach sweet. For sale by White & Co. Kendrick, F. M. Snider, Leland.

Thompson Bros. of Moscow are anxious to do your abstract work. Prices and work satisfactory.

FRIDAY, AUG. 28, 1903.

The fall trade will soon be in with its rush and hurry. While the present state of business is not all that could be desired, owing to the fact that every one is busy in the harvest field, yet this will soon be over now and the time for trading will commence when old bills will be settled up and new ones be made; the time when merchants will be smilingly happy and the farmer will have his pocket full of money from the big crops and big prices. Our merchants are well prepared this fall to meet any and all demands that may be made upon them but they must be planning how they may increase their volume of business over preceeding years. A man can't set down and expect trade will come to him whethers or not in this hustling day of business. The rule for us must be up in the morning with the birds and to bed with the owls if he will launch out on greater ventures and reach forth for greater gains. Our Kendrick business men are wide awake fellows but they can still grasp wider possibilities if they will. With the number of small stores multiplying on every hand in the country we are called to do some tremendous thinking not alone to hold our own of former years but to go on. We
