**A Cure For Dyspepsia.**

I had dyspepsia in its worst form and felt miserable most of the time. Did not enjoy eating until after I used Kodol Dyspepsia Cure, which has completely cured me.—Mrs. W. W. Saylor Millard, Pa. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known products and reconstructive properties. It cleanses and purifies and sweetens the stomach. Sold by White & Co., Kendrick and F. M. Snyder, Leland, Ida.

**Dieting Invites Disease.**

To cure dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol digests what you eat—makes the stomach sweet. Sold by F. M. Snyder, Leland and White & Co. Kendrick, Ida.
