### Booze for a Dollar

J. H. Swain, who claimed Filer as his address, is in the county jail under bonds of \$500, after having been arrested in Twin Falls last week by P. M. Brashears, superintendent of the state constabulary, for having offered an officer of the law a cream pitcher full of whiskey for an insignificant dollar bill.

It seems that Brashears was dining near Swain, when the Filerite poured out a drink for himself from his trusty flask, and then offered to sell them wholesale at a dollar a shot.

### Alleged Thieves

Charged with robbing the concession conducted by R. A. Brown of Buhl at the fair grounds here last week, Phares Williams, aged 20, Robert Bailey, aged 18, and John Morris, aged 42, were lodged in the county jail Saturday. The three were helping with the Bernhard shows and are alleged to have had in their possession a large amount of choice confections. Mr. Brown operated one of the booths underneath the grandstand. At one time he was a brakeman on the O. S. L. branch. The suspected men were released Tuesday.

THE UNIVERSAL CAR

To the business man, retail or wholesale; to the manufacturer; to the commission man; to the trucking company, the Ford Model T One Ton Truck makes an irresistible appeal because it has in its chassis all the merits of the original Ford car; the wonderful Ford Model T Motor, the dependable Vanadium steel chassis, and the manganese bronze worm-drive. A strongly built truck that serves satisfactorily and lasts in service. If these statements were not true, the demand for Ford Trucks wouldn't be so constantly on the increase. We will be pleased to take your order for one or more Ford Trucks, will see that you get reasonably prompt delivery, and will give you an after service that insures the constant service of the Truck. But don't wait too long. Get your order in promptly.
