BORAH GIVEN THE SOLID REPUBLICAN VOTE FOR SENATOR

First Ballot for Short Term Results in No Election, With Brady and Ailshie in Lead

VOTE OF LEGISLATURE ON SENATORS. Full Term Senator. Short Term Senator. William E. Borah 75 James F. Ailshie 25 G. W. Tannahill 5 James H. Brady 23 K. I. Perky 2 Thomas R. Hamer 9 C. W. Beale 8 Burton L. French 6 J. E. Babb 3 John T. Morrison 1 John F. Nugent 5 Fred T. Dubois 2 Total 82 Absent—Nihart and Rosevear.

The Idaho legislature, voting in the two houses separately, today re-elected Senator William E. Borah to succeed himself for the full term of six years by a vote of 75 Borah; 5 Tannahill; 2 Perky and 2 absent.

On the ballot for short term senator to succeed the late Weldon B. Heyburn there was no choice expressed by either house. Ailshie leads with 25 votes to 23 for Brady with Hamer following with 9, Beale with 8, French with 6, Babb with 3 and Morrison with 1. The Democrats divided their votes between Nugent and Dubois.

All that remains in connection with the election of Senator Borah is for the two houses to meet in joint session at noon tomorrow and canvass the result of the ballot today. No further ballot is required by law but it has been the custom in Idaho to call the roll in joint ballot, notwithstanding the returns show an election and another ballot is usually taken. Whether this will be done tomorrow cannot be stated, but it is not necessary to do so.

There were not many surprises in the vote on the short term although each of the candidates, as is natural in such cases, lost some votes that had been counted on. When the result was announced on the election of Borah there was considerable applause, but the announcement of the result on the short term senator, there being no choice, was accepted without demonstration.

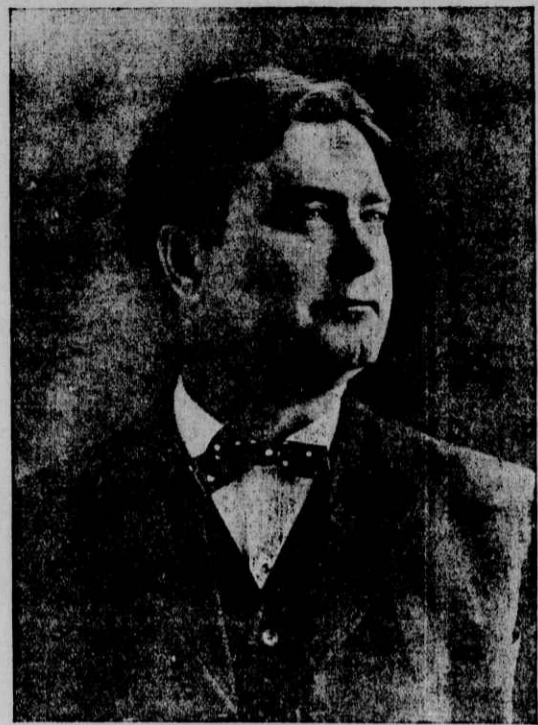

HOUSE MEMBERS EULOGIZE ALL OF THE CANDIDATES

Senator William E. Borah received 54 votes out of a total of 58 when the house of representatives met today at noon to ballot upon the candidates for the six-year term in the United States senate. George W. Tannahill, Democrat, drew three votes and Senator K. I. Perky, Democratic appointee now in office, received one. For the unexpired term of the late Senator W. B. Heyburn, which endures two years, the house gave Chief Justice Ailshie of the supreme court a total of 18 votes; former Governor Brady, 17; C. W. Beale, 7; Colonel Thomas A. Hamer, 6; Congressman Burton L. French, 6; James E. Babb, 2; John F. Nugent, 2, and Fred T. Dubois, 1. The poll showed that the following members of the house voted for the return of Senator Borah to the United States senate: Adams, Booth, Bowerman, Bradley, Campbell, Case, Chandler, Church, Clark of Latah, Conner, Dickinson, Edelblute, Elliott, Evans of Bear Lake, Evans of Lincoln, Farnin, Featherstone, Ferguson, Finke, Gardner, Gilchrist, Harchelrode, Hayford, Henderson, Hunt, Johnston of Bingham, Johnson of Oneida, Jones, Koelsch, Lau, Lawson, Lew's, Mason, McDermott, Mendenhall, Merrill, Mickels, Nielson, Norton, Oakes, Oversmith, Parks, Rockwood, Ryan, Sargent, Sinclair, Shattuck, Storey, Taylor, Warnick, Wearne, Wright and Speaker French.

SENATORS VOTE AFTER SPEECHES OF NOMINATION

While the senate walls were reverberating with the florid and fervent oratory which had preceded the balloting for United States senators, the members of the upper house this afternoon selected Senator William Edgar Borah to succeed himself as long term senator and took the first ballot on nominees for the short term. Borah won in the senate by an unanimous vote of the majority members, the votes of the Democratic minority being the only ones registered against him. The first ballot for a senator to succeed the late Weldon B. Heyburn resulted in 7 votes for Ailshie, 6 for Brady, 3 for Hamer 2 each for French and Nugent, one each for Babb, Beale, Morrison and Fred T. Dubois. The senate adjourned while nominating speeches were still being made in the house. With the galleries of the senate and every inch of spare space filled by visitors, the business of electing two United States senators was begun when in a ringing speech Senator John W. Hart of Fremont placed the name of William Edgar Borah in nomination. Referring to the record of Senator Borah both in the state and at Washington, the majority leader painted in glowing terms the virtues and accomplishments of Idaho's senator and ended by putting his name in nomination. Upon the conclusion of Senator Hart's address, the senators from various counties seconded the nomination. In rapid succession Senators Hunt, Edgington, Hedrick, Defenbach, Fairchild, Johnson of Lewis, Johnson

JOHNSON TRIES TO MAKE ESCAPE ACROSS THE LINE

Negro Is Taken From Train at Battle Creek, Mich., While on His Way to Toronto.

Battle Creek, Mich., Jan. 14.—Jack Johnson was taken off the train early today and held pending the arrival of Chicago authorities, who requested his detention. The negro was accompanied by his wife and two negro friends. According to local officials he admitted that he was on his way to Toronto. The pugilist is being detained at the home of negro friends.

Recognized by Passenger. Chicago, Jan. 14.—The first information regarding Jack Johnson's flight from the city was given by the publication in a local newspaper of a telegram from a passenger who recognized the negro. Shortly after his arrest, Johnson called up Charles S. DeWoody, superintendent of the department of justice at Chicago, on the telephone and explained that he had no thought of violating the federal laws or attempting to forfeit the \$30,000 bond. Johnson was indicted for violating the white slave act, and also for smuggling jewelry. The white slave act offense is not extraditable. An application was made to Federal Judge Carpenter for a bench warrant for Johnson's arrest as a fugitive. The court declined to issue the warrant when Attorney Bachrach, who appeared for Johnson, said he would produce his client in court tomorrow morning. Attorney Bachrach said that Johnson would voluntarily return to Chicago and that an attempt would be made to have him again admitted to bail. Because of his leaving the jurisdiction of the court the federal authorities will urge that Johnson be not admitted to bail.

CHAMPIONS THE CLAIM OF STATE TO ITS STREAMS

New Governor of Colorado Urges Aid in Test Case Before the United States Supreme Court.

Denver, Colo., Jan. 14.—A plea for a vigorous defense of Colorado's claims to the waters of streams rising within the state was made by Governor Elias M. Ammons in his inaugural message to the legislature today. The executive called attention particularly to the suit brought directly in the supreme court of the United States by the state of Wyoming, and urged the legislature to appropriate "adequate funds for the most vigorous defense of the state's right to the use of its own streams." Every stream rising within the state, he said, is involved in this controversy. The newly-elected governor expressed belief in the necessity for a radical change in the working of the initiative and referendum. He said: "During the recent campaign many people made a business of securing signatures to petitions at from 2 to 10 cents per name. Some petitions contained large groups of unauthorized names, doubtless put there by the so-

DEATH OF DAVIS BRINGS ON FIGHT FOR SENATORSHIP

Many Arkansas Democrats Are Ambitious to Secure the Seat in the United States Senate.

Little Rock, Ark., Jan. 14.—The senatorial contest precipitated by the death of Senator Jeff Davis is the all-absorbing subject of discussion among the members of the Arkansas legislature who assembled here today for the regular biennial session. The indications are that the legislative programs will be left practically untouched until the senatorship is disposed of. The situation that confronts the lawmakers and the politicians is an unusual one. For many years Arkansas has settled its contests for the United States senatorship in the regular Democratic primaries. The fact that the time limitation renders a choice of a senator by the usual method now practically impossible adds interest to the situation, since it will mean, in the opinion of the politicians, a grand free-for-all contest before the legislature. The selection must be made before March 4, on which date the service of J. N. Heiskell, appointed to fill the unexpired term of Senator Davis, will end. Within another week or ten days it is expected that the situation will be cleared up considerably by the elimination of some of those now mentioned for the senatorship and the voluntary withdrawal of others from the contest. At present nearly a dozen names are mentioned in connection with the honor. Those most frequently mentioned are Joe T. Robinson, who has just taken office as governor, George W. Donaghey, who has just retired from the governorship, several of the present representatives in congress, and former Congressman Stephen Brundage, whom Senator Davis defeated in the primaries last fall.

PEACE EFFORTS PROVE FAILURE AND WAR IS TO BE RESUMED

Allies Prepare to Leave London and Armies Will Be Notified to Call Off Armistice

London, Jan. 14.—The decision definitely to break up the peace conference in London simultaneously with the presentation to the Turkish government of the note of the European powers has been reached by the chiefs of the peace delegates of Balkan allies. The resolution of the representatives of Bulgaria, Greece, Montenegro and Serbia on one side and Turkey on the other will be communicated to the Porte in a formal notice.

At the same time it has been decided to instruct the commanders of the armed forces of the allies in the field to terminate the armistice which has been in effect since Dec. 3. Since that date fighting between Bulgaria, Serbia and Turkey has entirely ceased. Greece, which did not sign the armistice has continued fighting both on land and sea. Montenegro, which was nominally a party to the armistice has been engaged in many skirmishes.

The Turks at Sentari are believed to be well provided with food and ammunition. Janina was the rallying point for the Turkish troops who escaped from Monastir and other places in Macedonia and Albania. The Greeks have closed all approaches from the south but to the north and west communications are still open.

Conflicting reports as to conditions in the great fortress of Adrianople are current, but it appears evident that the troops and inhabitants are suffering greatly from disease and are short of rations. They have been besieged since October by Bulgarians and Servians. Before the Tchatalja lines is a great army of Bulgarians who were recently reinforced by Servians. Strongly entrenched fronting them, are large bodies of Turkish troops.

The threatening note of the allies is worded in such a way that it will become effective only in the event of Turkey refusing compliance with the advice given to it by the ambassadors of the European powers.

DUTIES ON ALUMINUM STEEL AND MACHINE TOOLS CONSIDERED

Washington, Jan. 14.—Aluminum steel, watch movements and machine tools were on the program of the house committee on ways and means when it met to hear the left-over witnesses who were unable to testify at the iron and steel hearing last week. W. S. Donner of Pittsburg, president of the Cambria Steel company, said his company owned property worth \$75,000,000, and employed 19,000 men, and manufactured last year over a million tons of nails, structural bars, rods and wire nails. He urged specific and ad valorem duties on iron and steel products.

Stave Manufacturers Meet. New Orleans, Jan. 14.—Members of the National Tight Barrel Stave Manufacturers' association and of the National Coopers' association met here today in annual convention.

London, Jan. 14.—The latest advice received by the Turkish delegates show that the Ottoman grand council has not met at Constantinople and that it probably will not meet. The Turkish envoys understand that Kiamil Pasha, grand vizier, will in all probability resign should the situation develop in such a way that the grand council will be called together. Authorities on the situation in London express the opinion that Turkey will reject the advice of the European powers and hostilities will be resumed. Representatives of the Balkan allies declare they are ready to face all events. They say that no fewer than 400,000 of their troops are concentrated around the fortress of Adrianople and the lines of Tchatalja, while all the heavy steel batteries have been placed in position before Adrianople.

General Bogovitch, Serbian hero of Monastir, asserts that within two days Adrianople can now be captured. Although the mobilization of the Russian and Italian armies is denied, there is no doubt that Austria-Hungary still maintains her armaments, with the object of enforcing their claims in the Balkans, especially in Albania. Plenipotentiaries of the allies remark that the attitude of Austria-Hungary is not so much against them as against today in annual convention. (Continued on Page Two)

Governor Wilson Makes Final Plea to New Jersey Legislature

Trenton, N. J., Jan. 14.—President-elect Wilson in his capacity as governor of New Jersey, sent his second annual message to the legislature, which convened today. It was his last formal appeal to the legislature for the completion of the program of progressive legislation for which he declared himself when he took office. Foremost among the laws advocated are a radical revision of the statutes governing corporations and better laws in the matter of drawing juries. The governor recommends the commission form of government for cities and speaks strongly in favor of economies in the state administration. In conclusion he expresses the hope that New Jersey will ratify the constitutional amendments providing for a tax on incomes, and the election of United States senators by direct vote of the people. The governor's message was written while the president-elect was in Bermuda and constitutes his only political writing since election. At the outset of the document there is a personal note of regret at leaving New Jersey, and an expression of gratitude and obligation to those who stood by him in carrying out reforms. Almost without preface, however, the governor calls attention to the laxity of the state's corporation laws. With the hope that New Jersey shall never again be called the mother of trusts, the message is addressed to a legislature that is for the first time during his administration Democratic in both branches. Corporation Laws Need Alteration. The corporation laws of the state notoriously stand in need of alteration, the governor says. They are manifestly inconsistent with the interests of the people in the all-important matter of monopoly, and as they stand far from checking monopoly, they actually encourage it. The whole country has set its face against this method of forming vast combinations and creating monopoly, Governor Wilson declares. "I am sure that the people (Continued on Page Six)

CHANGE IN DIRECTORS OF UNION PACIFIC

New York, Jan. 14.—The directors and officers of the Union Pacific, who are also directors of the Southern Pacific, tendered their resignations yesterday as the first step in compliance with the decree of the supreme court dissolving the two railroads. Inversely, the directors of the Southern Pacific, who are also directors of the Northern Pacific, also resigned.

CHILDREN RESCUED BY CHICAGO FIREMEN

Chicago, Jan. 14.—Firemen rescued half a dozen children and parents from suffocation in a fire which caused damage of \$75,000 to the plant of S. Inlander & Co., paper and willowware manufacturers, and routed the tenants out of the adjoining buildings.
