NEW DIP COPPED BY POLICE

Officer Pete Mula of the East Chicago force is after the pickpockets. Saturday he saw one of these dips at Chicago and Forsyth avenues trying to get into the pockets of a man just about to board a H. W. & E. C. street car for Indiana Harbor.

VOICE OF THE PEOPLE

SWIFT'S REPLY TO CHARGE.

Editor Times, Hammond, Ind. The April 22nd issue of THE TIMES contains an article, under the heading "We Get the Buzzard" that in effect charges that the packers arbitrarily fix the price of meat to the consumer, and refer particularly to a recent price advance on choice cuts, notwithstanding meatless days are temporarily abolished.

Table with columns: Average live weight, Average self-stock per cwt., and Average price per cwt. for various weeks.

Per cent of increase, 27% 13% The above comparison shows that meat prices did not advance as much as did live-cattle prices.

Serum Injections Kill.

Francis Harrington, M. D., states, in Health Culture, that he has frequently drawn attention to the horrors that result from the use of salvarsan in the treatment of blood-poison. Experts like Major H. C. French, of the Royal Army Medical Corps, Dr. C. F. Marshall and Dr. J. Ernest Leach, England, and Dr. G. H. P. Francis, insist that the use of salvarsan involves a risk of life.

OVER THE TOP

Snap—Vim—Vigor—Energy—Bravery—and nerves of steel are required to go "over the top" on the fighting front. Good red blood and an active liver are needed to face the enemy.
