

HAPPENINGS IN AND ABOUT TOWN

PLAN BIG TIME HERE JULY 4TH

Celebration to be Held at Rum Village to Include Many Features.

Plans for the municipal celebration to be held in Rum village on July 4 are rapidly nearing completion, according to reports of the sub-committees given at a meeting held in the Jefferson school building last night.

The main committee is composed of C. B. Eddy, chairman; C. W. Copp, and Miss Edith Brown.

J. W. Foley of the state council of defense will make the principal address, and several other men whose names have not been definitely decided upon will also speak.

Miss Edith Harmon will have charge of the musical program. At last night's meeting she reported that she had secured the services of Miss Ethel Wahl and L. L. Kemper for two vocal solos.

Two bands, the Red Alices and the Polish Falcons, will alternate in playing martial airs at the celebration.

Chorus of 150 People. Leading the community singing will be a chorus of 150 people, which Miss Harmon has selected from students of the South Bend high school.

Two bands, the Red Alices and the Polish Falcons, will alternate in playing martial airs at the celebration.

Tentative plans have been made for a patriotic pageant to conclude the affair, but they have not as yet taken definite shape.

Mrs. E. V. Hiquist and Mrs. Otto A. Beyer have been appointed as a committee to solicit prizes for the athletic events, which will be held continually from 10 a. m. to 5 p. m.

These two women will visit all the shops in South Bend, and merchants are asked to lend their aid in making this celebration a success.

F. E. Wolfe, municipal recreation director, who will have charge of the athletic events, reported that the following races will be held: Sprinkling hose tag, obstacle race, rolling stunts, centipede walk, tug-of-war, greased pole, lumber pole, copper trail, elephant walk, hand-spring-flopper, salad race, mounted pony fight, burden relay, potato race, and an Indian club race.

Added to this there will be games of playground ball and volleyball.

Meet Again Next Monday. Another meeting of this committee will be held on Monday evening, June 24, at the Jefferson school building.

Following the meeting Dr. E. G. Freyermuth declared that he had been requested by the state board of health to interest the members of the civic clubs in a meeting which will be held in the Rotary room of the Oliver hotel on Friday evening, June 21, at which Maj. J. C. Cobb of

MUNICIPAL COAL YARDS URGED

Councilman Luther Makes Recommendation at Monday Night's Meeting.

South Bend may have a municipal coal yard, provided the plan adopted by the members of the committee of the whole of the common council, at their regular meeting held in the council chambers Monday night, works out.

At that time the members approved of a motion instructing City Atty. Thomas W. Silek to investigate the possibilities of the city undertaking such a proposition.

Mr. Silek will report his findings at the next meeting of the council. The motto for the municipal coal yard was introduced by Councilman Luther. He told of a number of experiences he encountered last winter, when he was assisting the local fuel administrator, and he stated that the same conditions would doubt occur this coming winter unless steps were taken to check it.

"A number of the people of the city who are in a position and eager to buy coal at the present time are kept from doing so, due to the fact that they have no place to store coal during the summer months, and these people will in all probabilities be made to suffer for lack of coal when the winter season sets in," he declared.

Judson Complains of Dealers. A favoring report was given to a complaint on the coal proposition. He said that the coal dealers of the city charged 50 cents a ton extra for the delivery of coal to River Park.

"River Park is a part of South Bend and as long as the dealers make their deliveries to all parts of this city without charging extra, the people of River Park feel that they are being imposed upon," he said.

Action by the committee in regard to authorizing a contract for the purchase of a \$5,000 steam roller for the city, made by the board of public works, was postponed until a special committee of five from the council inspect a second-hand steam roller to see if it will serve the purpose.

Would Censor Advertising. A favoring report was given to the motion of Councilman Eyles to have an ordinance drawn up that will censor advertising, dealing with any national character or any American soldier or sailor. They also approved the ordinance ordering all persons vacating buildings, houses, or premises to leave such places in sanitary conditions, when it is vacated.

Badges for Councilmen. The ordinance for the purchase of badges for the councilmen, city clerk and deputy city clerk was sanctioned.

Dr. E. G. Freyermuth, secretary of the board of health, appeared before the committee and invited them to attend a meeting to be held in the rotary room of the Oliver hotel, Friday night, Dr. J. N. Hurty, secretary of the board of health, and Maj. J. C. Cobb of the United States health office will be speakers at this meeting. They will discuss ways and means of checking the spread of venereal diseases in this community.

Mr. Barnhart points out in his letter that his first duty is at the capital while congress is in session, but he assures Fr. Toth that he will be at the flag dedication if it is possible for him to do so.

FAMILY NIGHT TO BE HELD TONIGHT BY I. O. R. M. Tuesday night will be family night for the Improved Order of Red Men, and a program has been arranged for the families and friends of the members.

Mr. Van Baskirk will entertain with a solo and Mrs. C. S. Hook with a select reading. The music for the evening will be rendered by the Red Men's band. A social session will follow the program.

A DESIRABLE QUALITY. A man who is financially dependent, whose daily resources are sufficient only for daily needs, can never enjoy the fullest measure of freedom and self-respect. Willingness to sacrifice now in order to have enough for future necessities for yourself and those dependent upon you is one of the most desirable qualities you can develop. The regular income from a savings account will be a welcome addition to your resources. The Farmers Trust Co. —Advt.

PLEASURE CLUB WILL HOLD OUTING AT EAGLE LAKE WEDNESDAY

Arrangements have been completed for the annual outing of the Jefferson Av. Pleasure club, which takes place Wednesday at Eagle lake. Last night, Chairman Hull stated that 85 members had returned their postal cards signifying their intention to attend the outing.

Dinner will be served at the French pavilion, a special chef having been engaged to prepare the food.

Music will be furnished by the Orpheum theater orchestra under the direction of Howard Barbour. Some novel musical stunts have been scheduled by the committee on arrangements, including vocal, instrumental and "jazz band" numbers.

Immediately after dinner Mayor Carson will deliver a brief patriotic address to the pleasure seekers.

The afternoon will be spent in various contests suited to the abilities of the members. They will consist of a fat man's race, obstacle race, 100-yard dash, potato race, indoor baseball game, horseshoe pitching contest, pie eating contest, and others of like nature.

The trip to the lake will be made in automobiles, and members are requested to report to Hull & Cannon's cigar store, where they will be furnished with badges and their cars decorated with the American flag. The start will be made at 1:30 p. m., before which a photographer will take a picture of the cars as they are parked on S. Michigan st.

Joseph Scheninger and a few members of the press will pilot the procession to Eagle lake.

MAY CONNECT STREET IMPROVEMENTS OF CITY WITH PUBLIC HIGHWAYS

Whether South Bend is to be allowed to continue the improvement of a number of its streets so that they will connect with public highways, in order that the government's plans regarding the use of motor trucks may be facilitated, is to be determined by the state council of defense.

Late Monday afternoon a sub-committee from the county council of defense met with the board of public works in regard to what the members of the board believe is necessary along this line in South Bend.

The matter was gone into thoroughly by the board members and the members of the sub-committee, which is composed of L. P. Hardy, county fuel administrator, and A. F. Eby, county food administrator. The report of the conference between the board members and the sub-committee will be submitted at once to the state council of defense, and a final decision as to what is to be done in this city in regard to further street improvements will be rendered by that body.

According to the board of works members there are a number of streets that can be extended so that their improvement will connect with public highways outside the city limits.

Recently the state council of defense ordered that 11 public improvements that are not necessary should be stopped until after the war. This order was issued owing to the difficulty in getting material to the cities for contemplated improvements, and to conserve the railroad facilities of the government.

REAL ESTATE TRANSFERS From Records of Indiana Title and Loan Co.

Diana brothers to Lucius D. Sarle, lot 121, Roseland park, \$1. Same to Ella Sarle, lot 59, Roseland park, \$1.

FLAG RAISING ADDRESS TO BE MADE BY BARNHART

There is a bare possibility that Cong. Henry A. Barnhart will deliver an address at the flag raising to be held at Sacred Heart Hungarian Catholic church, corner Catalpa st. and Indiana av., June 22, according to a letter just received by Fr. George Toth from Cong. Barnhart.

The congressman also acknowledges the receipt of a handsome gold monogrammed shield from the members of the church in appreciation of a donation Cong. Barnhart made toward the flag.

Mr. Barnhart points out in his letter that his first duty is at the capital while congress is in session, but he assures Fr. Toth that he will be at the flag dedication if it is possible for him to do so.

JOHN SHEER INJURED IN STREET CAR SMASH

John Sheer of Bremen was severely injured Monday night when a street car struck the rear end of his wagon, completely demolishing it and throwing him to the pavement. The accident occurred about 10:15 o'clock, as Mr. Sheer was driving east on Lincoln way E. near Springbrook park.

Fred Smith, motorman of the car, stated that he did not see the wagon in front of him until he was almost upon it. Sheer was taken to the Epworth hospital.

SOUTH BEND BELGIANS HOLD PATRIOTIC SERVICES

Services consisting of the blessing of the service flag and roll of honor were held Sunday afternoon at the Sacred Heart Belgian church, the pastor, Rev. Charles V. Fischer, officiating. A congregation which taxed the capacity of the church was present.

Following the services a musical program was given by the members of the choir society.

Fr. Fischer reported that his parishioners had bought War Savings stamps and Liberty bonds to the amount of \$7,882. The Belgians' investments compare favorably with any other nationality in South Bend, some having invested all the money they had.
