Unconditional Surrender is Interpretation of Most U. S. Senators.

WASHINGTON, Nov. 12.—Unanimous approval of the armistice terms imposed on Germany was voiced Monday by members of congress.

Unconditional surrender was the interpretation of most senators and representatives, although some expressed disappointment that demobilization of the German armies was not required. Sentiment for punishment of those responsible for murders and other atrocities also was voiced.

Pres't Wilson's suggestion in his address before congress of the armistice terms that the victorious nations extend aid to the peoples of the central powers in their efforts for self government and to prevent them from further suffering for want of food and other necessities of life also was commended.

Vice Pres't Marshall said: "The president's address sets a high water mark in the annals of the justice of English speaking peoples and of all the allies. For the future justice must lead and not follow success."

Sen. Penrose of Pennsylvania: "I assume that the armistice terms are practically in effect to bring Germany's unconditional surrender and to disarm her so she could not renew the war even if Germany wanted to."

Sen. Simmons of North Carolina: "The armistice terms are all that really should be asked for."

Sen. Saulsbury of Delaware: "The president announced to us that what he has sought and what we have hoped for is accomplished. Poland is a nation again. Bohemia, the south Slavs and the Finns will all be free. The Holy Land is at last free. The crusade is accomplished."

Sen. Swanson of Virginia: "The terms of the armistice are most satisfactory. From now on government will be responsive to the wishes of the people."

Sen. Pomeroy of Ohio: "The terms of the armistice with Germany will prove universally acceptable. One thing, however, the allies, including the United States, must insist upon, that the officers and men guilty of the horrible cruelties which have shocked humanity shall be turned over to them for trial and punishment."

Sen. Norris of Nebraska: "The armistice terms amount to an unconditional surrender."

Sen. Curtis of Kansas: "I have heard the terms with great satisfaction and I am pleased that they are so binding."

Speaker Clark: "The armistice terms seem to be all-embracing and most certainly will be satisfactory to the American people."

Democratic Leader Kitchin: "The terms are entirely satisfactory. They could not be better."

Rep. Madden, Illinois: "The settlement is everything any one could hope for."

Rep. Campbell of Kansas: "The armistice embodies a complete surrender."

Rep. O'Shaughnessy, Rhode Island: "Peace again visits the earth, and a grateful people acknowledge our worthy president to be the masterful and dominant figure of the centuries."

Rep. Good, Iowa: "By far, the terms are the most stringent ever imposed on a defeated country."

Sen. Lodge of Massachusetts, ranking republican on the foreign relations committee; Sen. Hitchcock of Nebraska, chairman of the senate foreign relations committee, and other leaders of both the senate and house were not in Washington.

TAFT WARNS PEOPLE NOT TO EXPECT YANKS HOME FOR TWO YEARS

CHICAGO, Nov. 12.—William Howard Taft, former president, tonight warned the people in a speech not to expect the soldiers back from France within two years, because of the policing which will fall on the shoulders of the United States.

"The men in France will not return soon," he said, "we have 2,000,000 men in Europe and they will be kept there for some time to do police work both in the country of our enemy and in Russia. All bouts in which the men were sent across will be needed to carry food and supplies to both our allies and our foes."

In advocating universal military training, Mr. Taft said: "This war has taught us that it pays us to be prepared and I am in favor of military training for the measure of protection it will give as well as for the benefits which come to the men who will take up the army training course."

NO STRIKE, M'ADOO'S ORDER TO OPERATORS

WASHINGTON, Nov. 1.—Report of sporadic strike threats by railroad telegraphers today prompted Director Gen. McAdoo to address a statement to telegraphers reminding them that they are now working for the government and that no strike has ever occurred against the government. He said he now finds it impossible to announce a decision on pending wage requests of the Order of Railroad Telegraphers before next Thursday, the day set for a walkout of some telegraphers on southern roads, and added: "I earnestly request each patriotic

WHAT HATH GOD WROUGHT?

The terms of the armistice have been signed. The brutal arm of Prussian Militarism has been broken. German Autocracy has been forever crushed. A new and better day has dawned upon the earth. "The world has been made safe for Democracy."

Before the enemy of Prussian Militarism had sprung the trap, which plunged the world into war, he had mapped out every fortress, every ship, every soldier, every loaf of bread, but he failed to mark out the spirit of Democracy, which is mightier than the sword of Autocracy.

But whence this victory of Democracy? It lies in the fact that Democracy had its birth in the divine mind, when God made man in his own image and said: "Let them (men) have dominion over all the earth."

The lordship of kings has never been by divine right. There is no foundation for this teaching in the Word of God. The rule of Autocratic kings and emperors has ever been the rule of ruin. God purposed that every nation of the earth might be free---free to exercise the divine right of Democracy, that all governments should be "of the people, by the people, for the people."

When we think of the victory of Right against Wrong, of Justice against Injustice, of Honor against Dishonor, of Civilization against Savagery, of Freedom against Slavery, of Democracy against Autocracy, we in our hearts give all honor and glory to our good and divine Father, and exclaim: "WHAT HATH GOD WROUGHT."

The everlasting God, Jehovah, the Creator of the ends of the earth fainteth not; neither is weary; there is no searching of his understanding---Isa. 40:20.

He delivered me from mine enemies; yea, thou liftest me up above those that rise up against me; thou hast delivered me from the violent man---Psa. 18:49.

Jehovah, thou hast been favorable unto thy land; thou hast brought back the captivity of Jacob---Psa. 85:1.

Righteousness and Justice are the foundations of his throne---Psa. 97:2.

And He hath delivered us from our adversaries; for His loving kindness endureth forever---Psa. 124:24.

Oh give thanks unto Jehovah, call upon his name; make known among the people his doings, sing unto him; sing praises unto him; talk ye of all his wonderous works. Glory ye in his holy name---Psa. 105:1-3.

Enter into his gates with thanksgiving and unto his courts with praise; Give thanks unto him and bless his name---Psa. 100:4.

employe to remember his duty to his government and to remain at his post and await with confidence the action of the director, general which will be taken at the earliest possible moment."
