READ AND REFLECT.—

We this week wish to remind those of our town and Post-office subscribers...

Remember that the place to get your Santa Claus "fixin's" is at W. B. Pierce's.

Col. McMullen's Regiment has left Richmond and is now at Indianapolis. It will soon leave there for Kentucky.

If you want to please your wife (and who don't?) surprise her by purchasing one of those excellent Cooking Stoves at James S. Cotton's for a New Years present.

Charlie C. Smith, who came home on furlough a few weeks since, left this place on last Tuesday evening to rejoin his company in Missouri.

Arrived.—New goods at J. Finley Deems'. He has a large and well selected assortment of Dry Goods, Hats and Caps, Boots and Shoes, Groceries, Coal Oil and Lamps, etc.

Ward & McKew have an excellent stock of Hardware, etc., to which they are constantly adding new supplies.

Those subscribers in the country who have agreed to pay their subscriptions in wood are hereby informed that, unless they haul us that necessary article very soon our "fires will go out," and we be left to "shiver in the cold."

Improvements.—Dr. J. E. B. very has added much to the beauty of his premises by making a gravel walk, and bouldering on the south and east sides of his property on the cor. of North and East streets.

Sheriff Jenkins has also improved his property west of the Public Square, by way of having a gravel pavement made and bouldering done.

W. B. Pierce's new Drug Store building will soon be completed.

Now is the Time.—Subscribers to the Ladies' Repository and the Western Christian Advocate should call et once upon the Rev. H. J. Meck and renew their subscriptions.

The "Repository" is deservedly popular and is the cheapest of the kind published anywhere. We should not do it justice if we did not express our opinion that it has been greatly improved during the last year.

Subscribers will be furnished with the January number at a very early day. Of the "Advocate" we need say nothing. It is too well known to need any word of commendation from us.

Besides the religious intelligence, the political and war news summary is not only valuable but complete.

We heard an individual remark the other day that Messrs. Hill and Sieg had opened out a new Tailoring establishment in this place, but we presume he was mistaken, as no evidence of such a character has been received at this office.

No doubt when such an event does take place, they will communicate the fact to the public through the advertising columns of the Journal.

It is a matter of astonishment what fine weather we are having for this season of the year, but W. B. Pierce is more than astonishing the "antises" by selling Coal Oil of the best quality at FIFTY CENTS per gallon!

We have to confess that the paper on which the Journal has been printed for several numbers past was a very inferior article.—We have but little of it left, and when that is gone shall make exertions to get a better article.

Look here! who's going to make us a present of a fat Turkey for our New Years dinner? Don't every body bring one.

Elisha Martin is extensively engaged in the pork-packing business this season.

The Hollidays will soon be here—the place to get good beef at low figures is at D. M. Reazor's.

John B. Routh, Esq'r, Quartermaster of the 26th Indiana Regiment arrived at home on Tuesday night. He has been very ill, but we are glad to say that he is now rapidly recovering.

The mock legislature meets on Saturday night at the Court House. Ladies and gentlemen are invited.

OBITUARY.

DIED.—At his residence, near Windsor, Indiana, on the 5th day of December, 1861, MARK PERRY, in the 58th year of his age.

The deceased was an early advocate of Social and Moral Reform, and devoted much of his time in disseminating the truths of his Philosophy.

"Bound to no sect, no private road he took, But looked through Nature up to Nature's God."

Gifted with a mind of rare ability, stored with truths, gathered in the course of a long life, he has done much in his limited sphere to disseminate the truths of the new Philosophy, and thus enabled many to break the chain that bound them to the old Sectarian Theology.

It will be gratifying to his numerous friends to know that he died "contented." Dec. 10, 1861. JAMES MACE.

MARRIED.

WYSONG—REED.—On the 12th inst., by Jacob Elzroth, Esq., Mr. Perry Wysong and Miss Caroline W. Reed, daughter of Nathan Reed.

WAY—HATT.—On the 15th inst., by the same, at the residence of Mr. George Hatt, Mr. Henry T. Way and Miss Rachel W. Hatt.

Accompanying each of the above notices was as fine a cake as any printer's "Devil" need wish for. Therefore, the fair donors will please accept the unanimous thanks of the Journal office.

May they all pass through the journey of life happily and pleasantly, and be prosperous in all things.

DR. C. W. ROBACK'S Scandinavian Remedies. The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establish the following: THAT THE BLOOD PURIFIER AND BLOOD PILLS have been proved by analysis to CONTAIN NO MINERAL, that they cure the almost universal complaint of SCURVY, and insure certainty, and in a very short time, that after all other Medicines have proved useless, they relieve LIVER COMPLAINT, and restore the health and vigor of the sufferer.
