R&GC HOLDS ANN'L PICNIC

It's Here! . . . The Day you've been waiting for. What Day? Why, everyone knows it's the Day of the Robbins Rod & Gun Club's Annual Picnic.

They're all heading for Starved Rock Park Sunday, August 25 to enjoy the picnic to top all picnics.

Picnicers will assemble at the Chris and Mac filling station at 5:30 a.m. to depart at 6 a.m. sharp. We're sorry but late arrivals will be late for departure after the deadline.

Breakfast will be eaten at 9 o'clock on the picnic grounds with coffee provided by the club refreshment committee. A sight-seeing tour at 10 o'clock for those who will go walking, while a bingo party will entertain the "stay in Campers."

Twelve o'clock will herald the opening of many picnic hampers and baskets, providing a pleasing array of tasty foods. Beverages to be provided by the club refreshment committee.

Following the dinner hour, games of all types, to suit every one, are scheduled.

A ball game—women vs. men—will hold forth at 3:30 p.m.

Five o'clock is presentation time of gifts for the wives.

Six o'clock is departing time with sane driving and a safe return.

Another date to remember is October 26, 1957, the date of the

Aaron (Sonny) Stout Voluntarily Enters Manteno Hospital

Aaron (Sonny) Stout, for a long time very active in politics in the village and was at one time Chief of Police, voluntarily signed himself into the Manteno State Hospital last Saturday.

Mr. Stout is not a mental case, as was rumored, but became ill from what appeared to be Primary Dropsy, according to one diagnosis. Since alcohol seems to aggravate his condition, it was decided that Manteno would be the best place for his recovery.

It was reported at press time that his condition is much improved.
