CHIEF HUNT RESCUES BOY!

By Gladys Selmon

To little Alfred Jackson. Chief Ernest Hunt is not only a hero, but a grand guy, as well. The Chief saved Alfred from what in all probability, would have been an icy, watery death. And, Alfred is properly very grateful—and so are the citizens of the village. It happened in this way: Chief Hunt was standing in front of the police station in conversation with Mr. Flarzell Moore, one of the village trustees when a little boy came running up shouting that another little boy had broken thru the ice in the pond. The Chief was engrossed in the conversation, paid no attention to what the boy was saying until he heard

hands, he swam out about 55 feet to reach the lad who was all but exhausted trying to keep afloat in the ice-filled pond and brought him ashore.

ALFRED JACKSON

This was on Friday, December 27. The boys had been sledding that morning and this boy had run into a thin place and had broken through. His companion could not help him, so he ran for help.

Chief Hunt and Alfred were taken to the hospital for shock and exposure. They were given

injections and told to stay in bed for 24 hours. During that period the Chief operated the department from the bed.

A Catholic Church in Robbins Area Soon to be a Reality

Saint Peter Claver Church of Robbins and Crestwood is finally becoming a reality. After many years of prayer and petitioning, the Catholics of this vicinity will soon be able to attend their own House of God. We know that the convenience and closeness of this source of God's grace will make our Catholics in this community better and more fervent soldiers of Christ.

Next Sunday, the 5th of January, at 3:30 p.m., we are going to have an official ground-breaking ceremony. The site of the church, of course, is Claire blvd. and 141st street. We certainly hope you will be present to help us pray to God for the success of our venture. Your presence will help other Catholics feel stronger and more willing to work for Christ's Church.

Father Howard J. Doherty.
