GEO. W. D. HARRIS.—The best man to deal with for all kinds of Agricultural Implements and Farmers supplies is George W. D. Harris on the levee, who will give you every possible satisfaction.

CONCERT AT TURNER HALL.—This evening, commencing at 8 o'clock, Mr. and Mrs. Trattner, the tyrolian singers, will appear in their national costume, and will be assisted by Mr. Schultze, the celebrated pianist. Admission only 15 cents.

Y. M. C. A.—The Young Men's Christian Association will hold an open air meeting to morrow evening, at five o'clock, on East Eagle street, near the post office. It is hoped there will be a large attendance of friends. Everyone is invited to be present.

HILL'S LIVERY STABLE.—To-day being Saturday, all those who have not bespoken their equipage for to-morrow, should hurry up and do so. Mr Hill's enterprise in providing the best carriage riding accommodation for the public is well known to everybody. Give him a call.

A FOUL STOMACH, aside from its discomfort, is often the source of a bad breath This is remedied by the use of TRIX, which is the somewhat singular name of a new and beautiful perfume for the breath, counteracting foul exhalations from any source—drink, tobacco, bad teeth, or foul stomach.

Evening—The life that now is and that which is to come. Text, 1st Tim iv. 8 "But godliness is profitable unto all things, having promise of the life that now is, and of that which is to come."

FUNERAL.—This noon the funeral of Mathew Buckley, the teamster who was killed on the canal works, took place. The remains of deceased were transported from Rock Island to Davenport in his own wagon, drawn by the span of bay mares that caused his death. About twelve wagons and buggies came over from Davenport to form a funeral procession, including the parents, brothers and sisters, and friends of deceased—who, fortunately, was unmarried. It is said that a sudden start given by his team, while he was dumping his load, caused him to pitch heavily on his head. Anyhow he died instantaneously, and no mark was to be found on his body.

ONE of the most efficacious remedies for Dyspepsia known is Norman's Chalybeate Tonic.

THE WALLACE HOUSE.—As a really A. No. 1, first class house, it is well known by travelers through that section of country that the Wallace House, Sterling, Ill., has few equals and no superior. The proprietor, Mr. A. M. Hetfield, thoroughly understands what are the requisites, in every department, of a good hotel. His clerk, Mr. J. N. Pollard, is not only up to the mark in every point of view, but is so thoroughly good natured and pleasant all the time that it is a great inducement to seek this house in order to be treated well and made as comfortable as possible. We reached Sterling, the other evening, by the cars, which arrived very late. We required refreshment, but all places were closed save three or four saloons, which we had no desire to enter. We knew it was too late to expect anything to eat at the Wallace House, and yet, no sooner had we entered and told our tale than Mr. Pollard took us down stairs where the good things are kept, and regaled us with pie and iced milk to our heart's content, chatting pleasantly all the time. He is the prince of clerks. The Wallace House at Sterling is close by the railroad depot. We recommend it heartily.

NORMAN'S Ague Pills are warranted to cure when used according to direction.

TRIAL OF OLIVER PEASLEE.—It will be remembered that our fellow citizen, Oliver Peaslee, was indicted by the Grand Jury for manslaughter, last November. The case as brought out in evidence is briefly thus:—"Oliver Peaslee, who is an engineer on the Chicago, Rock Island & Pacific Railroad, was driving his engine at regulation speed—six miles per hour—on Jefferson street, Joliet; where, just at the crossing, a man deliberately stepped on the track: notwithstanding the fact that the bell was ringing, as is usual at crossings. The engine knocked the man down and killed him. The trial was commenced at Joliet on the 10th inst., and concluded on the 20th; when the Jury, after a few minutes absence, acquitted the accused, and, farther, gave him a certificate of innocence, complimenting him on his conduct. It must be a great pleasure to Peaslee to recollect that his employers, and a number of the prominent members of the C. R. I. & P. Railroad have backed him up through his trial, and several of whom were present Mr. P. A. Hall, Assistant General Superintendent, was a witness on the stand, as was also Mr. H. E. Woods, foreman at the Rock Island shops. Mr. Hall took a prominent part in the defence, which was conducted with great promptness and ability by Messrs. Snapp & Goodspeed of Joliet. The Prosecuting Attorney was Capt Hill, of the same city, who did the best for his side that he possibly could. A vital interest was evinced in court for the acquittal of the prisoner. Peaslee is a fine fellow; A. 1 in his profession, and, as has been shown above, highly esteemed by the Company. Every one who knows him, thinks highly of him. He has been running, as engineer, on the C. R. I. & P. Railroad ever since the year 1856, and has been a resident of this city since 1862. He is now receiving constant and hearty congratulations on all sides.

NORMAN'S Universal Magic Liniment for Sprains, Burns, Bruises, &c, cannot be equalled.

THE DAVENPORT GAZETTE.

We learn that Mr. Edward Russell has sold his one-third interest in the *Gazette* printing and publishing business to Mr. Waldo M. Potter, of the Omaha *Republican*. Mr. Russell has for a long time been the editor of the *Gazette*; and, as much as we may differ with him, we must say that his course has been that of a consistent radical, always taking advance grounds of his party and maintaining them, even at a cost to his business; and, while there are some of his party who may not regret the change, there are many who will. Under his management the *Gazette* has always been a live, enterprising newspaper, fully up to the times in all matters of state, political, religious and general news,—in fact the most reliably radical republican paper in the state. What it will be in the future is only known to the new editor. This much we do know, Mr. Potter has had a valuable experience, as editor of the *Saratogian* published at Saratoga New York, and later of the Omaha *Republican*, which paper evinced a thorough, as well as scholarly management. If our memory serves us aright, this Mr. Potter was at one time clerk of the New York House of Representatives and was counted in political circles as an able manager and a man of considerable influence in the republican party in Eastern New York. Educated in the New York school of republican politics he will probably have his own ideas and will be a hard customer for the Prices, Lowreys, Davieses Lyters, Hosmers, and Germans to twist about as they please. We also believe he is a relative of Judge Cole of the Supreme Bench of the state, and will be thoroughly in the big rings. He pays Mr. Russell $13,500 for one third of the establishment and assumes all accounts and liabilities. He takes possession August 1st Mr. Russell will devote his time to the Post Office which pays him three thousand a year.

JOHN WARNER'S PICNIC.

The picnic given on Big Island yesterday, by John Warner, to inaugurate the establishment of the Rock Island Fishing Club, was, probably, one of the most successful picnics ever given anywhere. Close upon one hundred persons attended; and the concourse presented a most interesting sight. There was present men of almost every known occupation, and every shade of political opinion; all as merry and jovial and hearty with one another as it is possible to conceive. Men of every age were there too. Mr Cropper, a gentleman of nearly eighty years of age, who has never been away from home for thirty-two years, might be seen conversing with a youth who has traveled far and wide, and probably wishes he could stay at home a little more than business will allow him. There they were, strolling about under the shading trees, or lying full length on the green sward but always brim full of fun and enjoyment; reverend gentlemen, lawyers, merchants, preshmen, artists, manufacturers, men of independent means, and in fact such a medley as is seldom seen. Then the dinner! To give any adequate idea of the magnificent and splendid repast, one must imagine every thing possible and every thing reasonable. The dinner was cooked on the Island, on the spot where the pic nic was held, and was a masterly success in the way of cookery and catering. After all was discussed, a resolution of thanks was unanimously passed, thanking Messrs. John Warner and Phil Allen for their respective exertions in providing and conducting one of the pleasantest pic nics that ever was.

The dinner was, as we previously announced would be the case—provided by John Warner; and its so great success is but another feather to the great number of "feathers in the cap" which that gentlemwn has won in the cause of pic nics.

DR HENLEY'S CALIFORNIA IXL BITTERS—"Bitters" is a name which puzzes some people; and we have heard the question asked, more than once, "What *are* bitters?" Bitters is the "singular" form of a "plurality" of ingredients, legitimately comprising a pure spirituous liquor in which bitter herbs and roots have been steeped; the whole forming a tonic which cannot be excelled for removing debility, and giving strength, vigor of action, and "tone" to the whole system By its use all the healthy functions are restored, and one can eat, drink and sleep, with refreshment and satisfaction, and do a day's work well, and fill our position in society to the best advantage. It is not perhaps, generally known, that the exhibition of pure spirituous liquor is absolutely necessary to draw the full virtue out of the bitter herbs and roots which only can produce this admirable tonic. Dr. Henley's California IXL bitters fulfill the above requisites in every particular, and is the best liver regulator ever known. Dyspepsia and its host of concomitants flee from it; and every family should have at least one bottle in the house, if they study their own good. The sole proprietors of this fine remedy are the well known, enterprising firm of Gross & Co., 11, La Salle street, Chicago. Sold in Rock Island at the Harper House Drug Store, and by John Bengston.

RAILROAD DOINGS.—Every railroad man knows who is the General Western Passenger Agent of the Lake Shore & Michigan Southern R. R.—Mr. F. E. Morse.

The Chicago Railway *Review* says that as he was setting down to his desk the other morning he found lying on his desk a list of his "Personal Railway Friends and Fellow Employes." Accompanying the communication, to which ninety one names were signed, was a $500 watch, with massive chain and cameo charm and locket, all of most exquisite workmanship.

The re was no speech making or formality but only these few words:

"*We, the undersigned, personal Railway friends and fellow employes, would ask your acceptance of the accompanying gift as a testimonial of Friendship and good will.*"

Just what one might expect from men showing their regard for an old time associate and highly respected friend. Every one named seemed to be speaking in the old familiar way, and it is no wonder Mr. Morse was deeply affected. What man would not be by an act so genuine and considerate and it we may be allowed a word individually—and so deserved.

SOCIABLE AND RECEPTION.—On the evening of July the 26th the members of Trinity Lodge No. 208, A. F and A. M., of Freemasons, of Davenport, will give a sociable and reception in Trinity and Le Claire Halls. The committee of arrangements are John L. Swits, J. Lewis Drew, and O. H. Watson. Arrangements have been made with the ferry boat to accommodate those attending from this city. A very pleasant evening, and a large attendance, is expected.

A bright, healthy child is a perennial spring of joy in every well-regulated family, and where is that father, who after the strife and turmoil of business, on retiring to his home, is not beguiled of care by the innocent prattle of his child? Perhaps this father is a worldly man, and makes gold his idol, he may have been a successful man, and amassed riches. Yet place his child on the sick bed, and all his gold is at the disposal of the physician, and the only return he asks is the restoration of health to his child. Fathers! Mothers: would you preserve your child in health? Then listen to us. There is one prevailing cause of the disease in children, and that cause is worms. If this cause of disease is not removed, your child will sicken and die, or linger a suffering invalid for life. We present to you an infallible remedy for worms; it is

Dr. Judson's Dead Shot Worm Candy,

and is put up in the form of a stick of candy, and so pleasant to the taste, that children greedily tease for it. It is purely vegetable, and cannot hurt the smallest child. Ask for Dr. Judson's Dead Shot Worm Candy. For sale everywhere at 20 cents per package. W. H. COMSTOCK, Sole Proprietor. dec6

In numbers there is safety. It was upon this principle that the formula of JUDSON'S MOUNTAIN HERB PILLS was prepared. Dr. Judson, intending to spend a fortune in advertising his pills, submitted his recipe to the revision of the most intelligent and learned physicians of the age, and the result is a simple but most efficacious medicine—the JUDSON'S MOUNTAIN HERB PILLS. They purify the blood, remove all obstructions, cleanse the skin of all pimples and blotches, and are perfectly sure and safe in their operation. The JUDSON'S MOUNTAIN HERB PILLS cure Biliousness, Female irregularities, Headache, and many of the diseases arising from impure blood and a deranged digestion. Use the Judson's Mountain Herb Pills and when you have proved their virtue recommend them to your friends. They are both sugar-coated and plain. For sale every where.

If you do not feel well you send for a doctor he calls upon you, looks wise, scrawls some hieroglyphics upon a piece of paper which you take to a drug store and there pay 50 cents to $1.00, besides the doctor's fee, for a remedy nine times out of ten not half so good as Dr. Morse's Indian Root Pills, which costs but 25 cents per box. Do you think the former the best, because you pay the most for it? If you do, we advise you to use, just as an experiment, the Morse's Indian Root Pills. They are prepared from a formula, pronounced by the most learned physicians of our country, to be the best and most universal of family medicines. The Morse's Indian Root Pills cure Headache, Liver complaint, Indigestion, Dyspepsia, Female irregularities, &c., and are put up both sugar-coated and plain. Give them a trial. Sold by all dealers.

MUSEUM, CARAVAN, MENAGERIE AND CIRCUS.

WAIT FOR THE BIG SHOW

SAVE YOUR MONEY FOR THE MASTADON OF MERIT.

AT ROCK ISLAND,

Tuesday, Aug. 1, '71.

The Only and Original

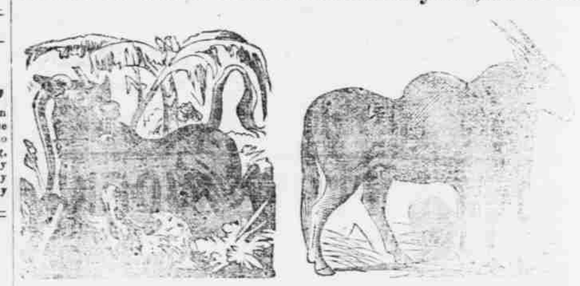
OLD JOHN ROBINSON'S

First Grand Triumphal Tour of the States West and North of the Ohio River in Five Years.

3 Monster Pavilions

One exclusively for the Museum, another expressly for the Menagerie and Caravan, and the third devoted to the Equestrian Performances, all adjoining and connected together, but only one price of admission, and one ticket admits you to all. ADMISSION to the entire Combination, Menagerie, Caravan, Museum and Circus:

Adults, 50 Cents; Children under 10 years, 25 Cents.



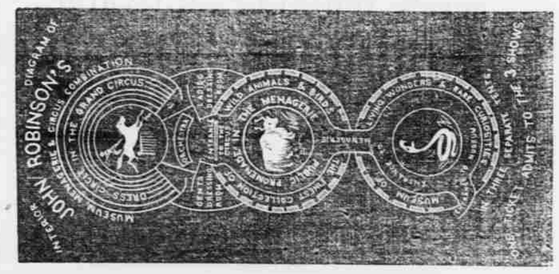
WAIT FOR IT! WATCH FOR IT! GO AND SEE IT!

The only Real Menagerie and First-Class Circus on the Road.

25 GOLD AND CRIMSON CAGES!

Drawn by beautiful matched Cream and Dappled Horses—all the Circus Retinue—Largest and Best Parade ever seen on the Public Streets.

Diagram of Old John Robinson's Museum, Caravan, Menagerie and Circus:



FOUR MONSTER

LIVING SEA LIONS!

With their Young, PLATYRHYNCHUS LEONENUS, or SEA ELEPHANTS, with Mane erect like the Forest Monarchs, requiring over

Two Hundred Pounds of Fresh Fish daily for their subsistance!

The only ones on exhibition in the World, and can be seen in this Menagerie, at all hours SPORTING IN AN ARTIFICIAL LAKE OF OCEAN WATER.

A Wild Tartarian

MONSTER YAK!

From the Deserts of Tartary, with long, beautiful hair growing from his back to the ground. THE ONLY ONE ON EXHIBITION IN AMERICA.

Don't confound this with any Small Show or Menagerie, but bear in mind that

Old John Robinson, the Leviathan,

Is triumphantly marching on, and will positively exhibit at ROCK ISLAND, ILLINOIS' and Davenport, Iowa. Don't confound this Gigantic Organization with the Yankee Robinson Show which traveled this country in past times, nor with the James Robinson Circus that showed here last season, or with the so-called J. W. (Galesburg, Illinois) Robinson, a fraud, humbug and impostor, seeking to entice and delude the people of Illinois into his rat-trap of a concern, by falsely representing himself and Show as Simon Pure, in no way, shape or manner, connected with either or any of them, but is the Old Original JOHN ROBINSON, of Cincinnati, Ohio, sixty five years of age, with fifty years, experience as an owner of a Menagerie. He has spent years of toil and vast sums of money to bring his monster Museum, Menagerie, Caravan and Circus to the high state of perfection which it now assumes, the

Challenge Champion Show of the World.

REMEMBER THE DAY AND DATE.

Do not forget that we are coming with an Avalanche of Talent. Wait for us, for we are coming to

Rock Island, Tuesday, Aug. 1, '71.
