The Only Complete Bible Library

**Ever Prepared For
POPULAR USE**

EVERY ONE knows that the Bible is the most interesting and fascinating book ever written. But in order to fully appreciate its wonderful charm and its wealth of hidden beauty, it is necessary to know more about the Holy Land and its people, to have the benefit of authoritative comments upon the

text and some simple method of easily and quickly locating the different incidents and thrilling events of Bible history. There are many books based upon the Bible and Bible history, it is true, but the use of such a collection of books requires so much skill and labor in referring from one book to another as to make it impracticable for ordinary use. Realizing the great need for a simple yet complete and combined "biblical library," at a price within the reach of all, the Society has prepared and now offers the

Self-Interpreting Bible Library

Consisting of four splendid volumes, containing the complete Authorized Version of the Bible, from Genesis to Revelations, with Commentaries and Study Helps on the same page with the text, History of the people of Bible Times, Bible Atlas, Life of Christ and the Prophets, Dictionary and Concordance, Cross Index—beautifully illustrated with a wonderful collection of photographs of the Holy Lands arranged in connection with the text. It makes reading the Bible a pleasure and a delight, and opens up a world of beauty and interest that has been almost meaningless to the average reader. Edited by Bishop John H. Vincent. Indorsed by Bishop D. S. Tuttle, Rev. Frank W. Gunsaulus, Gipsy Smith, and leading ministers of all Protestant denominations.

The 448 Actual Photographs.

Realizing how much easier it would be to appreciate the Bible if every one could visit the Holy Lands and see for themselves the places and scenes of Bible history, the Society equipped a special expedition, at a cost of \$25,000, to tour Bible Lands, and to secure actual photographs of all the places made sacred by the footsteps of Christ and the great events of Bible history. The result is a truly priceless collection of 448 wonderful 7 in. by 10 in. Biblical and Historical photographs, by means of which the Society now brings Bible Lands to us in our own homes.
