

## JOHNY ADMIRES NEW WAY OF DETECTIN'.

By the Junior Office Boy.

n. y., jooly 17.—the bulls here got all kinds of different ways to pinch a gambling joint

sumtimes they drop in through the roof, and sumtimes they bust the doors with axes, but dominick brady he pulled sumthing new and nifty up in 97 street the uther day

dominick is one of the swellest fly cops you ever seen. he looks like one of them dear-me boys in the fifth avenoo 4 p. m. parade. you woulnd no more take him for a poliseman than you would take jondee rockefeller for santy claws

well, this here 97 street place had been kind of gitting on the nerves of the polise dept. evry oact in a while sumboddy would come in with a roar about being skun, but yet it didnt hardly seem like the place could be a flim joint

couple of weeks ago a feller that

was stopping at one of the swell taverns dashed into a station house, and he puts up a rōre that he was inviggled into this dump and they got pritty near evrything he had except the fillings in his grinders

so then the cops desided they got to get busy, and they put young dominick on the job

this house was rite in the swell resadense districk, with boobes in livries openin the door and dashin down the steps to help callers out of their autos, and dominick he figgered a foxy game to get in right

he dident go near the house. he dressed up like a swell gink, and stopped at a high-price hotell, and hung around the lobby, waiting' to be inviggled

sure enough, pritty soon an- uther well dressed guy that was hangin around the lobby got acquainted with him, and after they had bought each uther a few pints of giggle water, this duck asks dominick would he like a chance to play a little faro on the strickt q. t.

dominick he falls like a ton of flatirons, and the feller takes him up to the joint, witch he tells dominick is a swell private club

its swell all rite. all furnished up like pearp morgan's pet ball-room, and lots of elagent ladys and gents playin various kinds of gamblin games

dominick he joined the merry throng, lost a few dollers, and in a few days the gang around the place was patting him on his flos-
