Commissioner Wich's plan is to clean the alleys and have them kept clean throughout the winter months, thus avoiding the unsightly looking alleys of past winters.

In placing ashes in the alleys citizens are requested to refrain from throwing tin cans or bottles on the ash piles as the city uses the ashes in the spring to repair dirt roads...

Place in Boxes: All other waste material can be placed in boxes, barrels or like containers and will be removed by the city at any time during the winter when notified.
