Bits of Scripture

MARK 1:40-45.

And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean.

And Jesus, moved with compassion, put forth his hand, and touched him, and saith unto him, I will; be thou clean.

And as soon as he had spoken, immediately the leprosy departed from him, and he was cleansed.

And he straitly charged him, and forthwith sent him away;

And saith unto him, See thou say nothing to any man; but go thy way, shew thyself to the priest, and offer for thy cleansing those things which Moses commanded, for a testimony unto them.

But he went out, and began to publish it much, and to blaze abroad the matter, insomuch that Jesus could no more openly enter into the city, but was without in desert places; and they came to him from every quarter.

LIFE THREATENED BY BOY POACHERS

Farmer Is Abused When Trespassers Are Ordered Off Premises.

OFFENDERS IN COUNTY JAIL

Joe Scheuerman Is Complainant and Fears for His Life—Trial Monday.

With a clubbed shotgun upraised over his head and ready to strike, 18-year-old Fred Wanke of this city advanced upon Joe Scheuerman, after being ordered off the latter's premises in South Rock Island and shouted "Get away or I will kill you," according to Scheuerman's story in police court today.

Wanke, aged 20, had been hanging away with shotguns on Scheuerman's premises for the past week, endangering everything thereon, and absolutely refused to leave after being repeatedly warned. Last night they were placed under arrest, on a warrant sworn out by Scheuerman and are now in the county jail under bonds of \$400 each. Wanke, it is claimed by the police, was the aggressor in the entire affair.

ENDANGER LIFE. About a week ago, both these boys appeared on the South Rock Island

er's premises and began shooting. It is claimed by the owner that buckshot rained around the house and that the lives of his entire family were endangered. He warned the boys to leave but they paid no attention to him. They continued their gun play and finally when Scheuerman peremptorily ordered them from the premises, Wanke raised his gun above his head ready to strike and made his threat to kill. It was only through a miracle that no live stock on the place was killed and when the case comes up for trial Monday morning, it is believed that the boys will be handed a severe sentence.
