

# DELEGATES URGE HIGHWAYS TO GET AID FROM STATE

Meeting Held With Committee from Board of Supervisors at the Courthouse

## MANY MAPS ARE SUBMITTED

Data From Each Township Is Presented—Showing Roads and Other Information.

Delegates from the various townships in the county were in attendance this morning at a meeting of the committee from the board of supervisors held at the courthouse, at which time the matter of the highways to receive state aid under the provisions of the Tice law was considered.

At a recent meeting of the board of supervisors a committee was selected to investigate the roads of the county and make a report at an adjourned meeting of the board which is to be held tomorrow afternoon.

The committee met today for the purpose of formulating their report which is to be submitted tomorrow afternoon. Present at the conference this morning were representatives from the various townships.

There was submitted from each township a map showing the location of roads. From these the committee will secure the data they need in formulating their report and tomorrow it is expected that supervisors will name the roads which are to be known as county highways.
