

CAIRO BULLETIN.

JOHN H. OBERLY, Editor and Publisher

TERMS OF THE DAILY BULLETIN: One week, by carrier, \$ 25; One year by carrier, in advance, 10 00.

THE DOLLAR WEEKLY BULLETIN: John H. Oberly has reduced the subscription price of the WEEKLY CAIRO BULLETIN to One Dollar per annum, making it the cheapest paper published in Southern Illinois.

The Marion "Friend" informs Mr. Hatchett, superintendent of the C. & S. railroad, that threats to take up the track between that town and Carterville are idle. The "Friend" forcibly remarks: "The people of Williamson county were not raised in the woods to be scared by 'an old buzzard'."

The Jonesboro "Gazette" does not propose to oppose Grant right or wrong, but approve his wise actions and denounce his foolish ones. This is our platform; and hereabout the late Democratic leaders denounce the position as treason to "the 'old party of Jefferson and of Jackson.'"

The Canadians are talking about annexing the United States to the Dominion, facetious boys they are! If they should do so, they would be as anxious to let us go again as the hunter was to let the panther go, after he had got hold of the ferocious animal's hind legs.

At the late presidential election several States elected the Liberal presidential electors; and, if Mr. Greeley had lived until to-morrow, their votes would have been cast for the now deceased statesman.

THE GREELEY ELECTORAL VOTE: For whom shall the Liberal presidential electors vote? Scheming politicians are already attempting to have the Liberal electors vote for their favorite in order to manufacture capital and secure for him the nomination of the Democratic party for the presidency four years hence.
