INTEREST PAYING PLAN:

A new and novel system of Life Insurance recently introduced by the

MISSOURI MUTUAL LIFE

OF ST. LOUIS.

By this system, Life Insurance is furnished at as little cost as by the usual plans, and the policy holder receives an annual interest of seven per cent. upon all the money paid by him to the Company; his annual premiums thus earning him as much as a government bond.

The plan has been thoroughly criticised and fully indorsed by the most eminent actuaries and skilful mathematicians in the land; indeed, it has not yet been the subject of unfavorable mention in any respectable quarter.

OFFICE OF THE COMPANY:
Northwest cor. Fourth & Olive Sts.
ST. LOUIS, MISSOURI.
ARTHUR B. BARRETT, President
BENJ. WILLIAMS, *Secretary*.

THE
MISSOURI MUTUAL

Ranks high in the list of sound, thrifty Western Life Companies.

It has ample capital—$125,000.

It has assets more than enough to cover all its liabilities in addition to the capital.

It has one hundred thousand dollars deposited with the State of Missouri as a perpetual guarantee to its policy holders.

It has complied fully with the new laws of the State, which are quite as exacting and more rigidly enforced than those of Eastern States.

It invests its funds in the West, among the people from whom they are received.

Its management is vigorous, skillful and prudent.

Its annual income from the interest alone is already more than sufficient to pay its losses.

It issues policies upon the ordinary life and endowment plans, at the same rate as other first-class companies.

The policy holders receive all the profits in annual dividends.

The stock holders can receive only ten per cent. of interest on their capital, by the terms of the charter.

The annual dividends to policy holders are already greater than many old Eastern Companies have ever been able to pay.

The State of Illinois paid last year about four million dollars for Life Insurance.

Why send so much money out of the State—away to New York and New England for an article that may be produced just as cheap'y (or more so at home?

HELMBOLD'S FLUID EXTRACT SARSAPARILLA
Beautifies the Complexion.

All Powders and outward applications destroy the skin, rendering it harsh and coarse. Look at the skin of old maids and those who have used such any length of time. My advice is to discontinue them, and use

HELMBOLD'S FLUID EXTRACT SARSAPARILLA.

One bottle is equal in strength to one gallon of the Syrups or Decoctions as usually made; and a wine-glass added to a pint of water equals the celebrated LISBON DIET DRINK. Try it this way. A delightful beverage.

HELMBOLD'S CATAWBA GRAPE PILLS
HELMBOLD'S CATAWBA GRAPE PILLS
A pleasant, safe and agreeable Cathartic.
HELMBOLD'S CATAWBA GRAPE PILLS

HELMBOLD'S CATAWBA GRAPE PILL

HELMBOLD'S CATAWBA GRAPE PILLS
Are composed of Catawba Grape Juice and Fluid Extract Rhubarb.

How to proceed in the Spring and Summer months, to insure new life, new blood, new vigor: Purchase two bottles of HELMBOLD'S SARSAPARILLA and one box of PILLS—worth their weight in gold.

No better investment can be made for so small a sum.

HELMBOLD'S FLUID EXTRACT BUCHU
Has acquired a world-wide fame.

ALL of my preparations are meritorious. A period of twenty years has proved this to be the case.

See remarks made by Benjamin Traverse, F. R. C. S. Speaking of those diseases, and diseases arising from the excess of mercury, he states that no remedy is equal to the Extract of Sarsaparilla, its power is extraordinary, more so than any other drug I am acquainted with. It is, in in the strictest sense, a tonic, with this invaluable attribute—that it is applicable to a state of the system so sunken, and yet so irritable, as renders other substances of the tonic class unavailable or injurious.

See REMARKS of the GREAT CHEMISTS AND PILL MEN OF AMERICA:

Wm. R. Warner & Co.,
15 North Third street, Philadelphia, Pa.

H. T. Helmbold:

Esteemed Friend—I congratulate you on having the handsomest and at the same time the Most Effective Pill that I have ever known for the purposes intended. WM. R. WARNER & CO.

H. T. Helmbold will remark, in conclusion, that his remedies are the result of long and careful study. The Fluid Extracts have been before the public twenty years. The sale of them in that time proves their value. All have been benefitted by them who followed my instructions, and to-day they stand unequalled in the extent of their sale, and unsurpassed by any medicament in the Dispensatory of the United States, not excepting a single Herb, Root, Plant, or Scientific Preparation.

Pharmaceutical I claim all mine to be, and have never patented a single one.

To dispel any impression or prejudice that might exist in the minds of many against my preparations, from the publicity given through advertising, and that I am and have been a druggist for a period of twenty years, and more exclusively to prove this see letter from the largest manufacturing chemists in the world:

November 4, 1854.

I am acquainted with Mr. H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise. WILLIAM WIGHTMAN.
Firm of Powers & Wightman, manufacturing chemists, Ninth and Brown streets, Philadelphia.

ALL STAND ON THEIR MERITS.

The Pill I have thought of offering to the afflicted for ten years.

They are now perfect, and I shall stake my time, money and fame on their effectiveness. The inviting style in which the pill itself is made, the bottle, label, wrapper—all show with what care they have been prepared. After examination, no English or French preparation will show greater care, and I am really proud of them.

Instead of the nauseous-looking, carelessly prepared Pills vended generally, and put up in wooden boxes, and made generally, or offered by those having no experience as physicians, druggists or manufacturers of medicines, test the medicine offered by your obedient servant,

H. T. HELMBOLD.
