DEMOCRATIC COUNTY TICKET. For Treasurer and Collector, WILLIAM MARTIN. For Surveyor, JOHN P. HELY.

It is AGAIN ANNOUNCED that Secretary Fish will retire from the cabinet. The withdrawal will take place after the November elections...

THE LAW which gives a man the right to vote in only one state or locality is seriously interfering with the plan of the republican campaign in Ohio.

THE CHICAGO Post gives it as an item of special news that four members of the cabinet are now in Washington—Secretaries Belknap, Robeson, and Delano, and Postmaster General Creswell.

THAT THE RADICAL PARTY is one of infinite resources in adapting its means to its ends, has never been better demonstrated than in the action of the late New York state convention.

"J. U. E. T." AN INTERESTING LETTER. Official Correspondence to the Cairo Bulletin.

The capitol at Washington is acknowledged as the finest building in the world. It has cost up to this time nearly twelve millions of dollars, and it is said to be much superior in every respect to many buildings in the world that have cost over double that amount.

From the treasury department we took the street cars for the navy-yard, having a note of introduction to Naval Constructor Much, there. We were courteously received and politely shown over the entire yard and into all the departments.

Returning to town, we took a carriage for Arlington Heights. The famous long bridge being closed for repairs, we drove through Georgetown and over the Georgetown bridge across the Potomac.

From the treasury department we took the street cars for the navy-yard, having a note of introduction to Naval Constructor Much, there. We were courteously received and politely shown over the entire yard and into all the departments.

design is a noble one. The shaft when completed will be 600 feet in height and will make the most celebrated obelisk in the world divide into insignificance beside it.

From the monument we paid a visit to Uncle Sam's strong box—the treasury department. This is one of the largest, most substantial and finest buildings in the city.

From the treasury department we took the street cars for the navy-yard, having a note of introduction to Naval Constructor Much, there. We were courteously received and politely shown over the entire yard and into all the departments.

PERSONAL AND GENERAL.

—Massachusetts to Ben Butler—"Shoo, dy!" N. B.—he did. —The negroes of Washington, Ga. are in a state of chronic revivalism.

THE WOODHULL.

A NOTICE OF TILTON'S BIOGRAPHY. [From the Boston Traveller.] Theodore Tilton has written a life of Victoria C. Woodhull, which, for blasphemous, indecency, and lunacy combined, has probably never been equaled.

RADICAL INSGRITUDE.

[From the Cincinnati Commercial.] The military services performed by the present holder of Federal office in Lexington, Ky., were very remarkable.

INTERRANCE.

A FIRM AND FIRM. [From the London Standard, Sept. 28.] On Monday afternoon a gentleman living in an aristocratic portion of Second Street set out to search for his wife.

FOR THE LADIES.

—Turban here as on Broadway, are the hats for Autumn wear. —Fashion says that misses shall wear tartan plaid stockings this winter.

ARIZONA.

OUTRAGES BY MEXICAN BANDITS—GOV. SAFFORD'S EXPLORING PARTY—DROUGHT. SAN FRANCISCO, Oct. 1.—Tucson, Arizona, advices to Sept. 23, say that there is no protection to life or property on the Lower Gila.

CONSUMPTION.

Many a human being has passed away from this earth who was probably more than the average of his kind in strength and vitality.

NERVOUS DEBILITY.

With its gloomy attendant, low spirits, depression, voluntary or involuntary loss of semen, nervous debility, loss of power, dizziness, loss of memory, and threatened impotence and other ailments, the system is weakened.
