HOOFLAND'S.

A REMINDER.

To Debilitated Persons! To Dyspeptics! To Sufferers from Liver Complaint! To those having no Appetite! To those with Broken Down Constitutions! To Nervous People! To Children Wasting Away! To any with Debilitated Digestive Organs!

If Suffering with any of the Following Symptoms,

Which indicate DISORDERED LIVER OR STOMACH:

Such as Constipation, Inward Piles, Fulness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

HOOFLAND'S GERMAN BITTERS

Bitters without Alcohol or Spirits of any kind.

Is different from all others. It is composed of the pure Juices, or Vital Principle of Roots, Herbs and Barks, (or, as medicinally termed, Extracts,) the worthless or inert portions of the ingredients not being used. Therefore, in one bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons of ordinary mixtures. The roots, etc., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist, and forwarded to the manufactory in this city, where they are compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against all others. No desire for stimulants can be induced from their use; they cannot make drunkards, and cannot under any circumstances have any but a beneficial effect.

HOOFLAND'S GERMAN TONIC

is compounded for those not inclined to exercise Bitters, and is intended for use in cases when some alcoholic stimulant is required in connection with the Tonic properties of the Bitters. Each bottle of the Tonic contains one bottle of the Bitters, combined with pure SANTA CRUZ RUM, and flavored in such a manner that the extreme bitterness of the Bitters is overcome, forming a preparation highly agreeable and pleasant to the palate, and containing the medicinal virtues of the Bitters. The price of the Tonic is $1.50 per bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of pure quality. A poor article could be furnished at a cheaper price; but is it not better to pay a little more and have a good article? A medicinal preparation should contain none but the best ingredients; and they who expect to obtain a cheap compound, and be benefitted by it, will most certainly be cheated.

HOOFLAND'S GERMAN BITTERS;

OR

HOOFLAND'S GERMAN TONIC;

WITH

HOOFLAND'S PODOPHYLLIN PILL

WILL CURE YOU.

They are the Greatest Blood Purifiers Known

In the medical world, and will eradicate diseases arising from impure blood, Debility of the Digestive Organs, or Diseased Liver, in a shorter time than any other known remedies

The Whole Supreme Court of Pennsylvania speak for these remedies. Who would ask for more dignified and stronger testimony?

Hon. George W. Woodward, formerly Chief Justice of the Supreme Court of Pennsylvania, at present member of Congress from Pennsylvania, writes:

Philadelphia, March 16, 1867.

I find Hoofland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system. Yours, truly,

GEORGE W. WOODWARD.

Hon. James Thompson, Chief Justice of the Supreme Court of Pennsylvania:

Philadelphia, April 28, 1867.

I consider Hoofland's German Bitters a valuable medicine in cases of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON.

Hon. George Sharswood, Justice of the Supreme Court of Pennsylvania:

Philadelphia, June 1, 1869.

I have found by experience that Hoofland's German Bitters is a very good tonic, relieving dyspeptic symptoms almost directly.

GEORGE SHARSWOOD.

Hon. Wm. F. Rogers, Mayor of the City of Buffalo, N. Y.:

Mayor's Office, Buffalo, June 22, 1869.

I have used Hoofland's German Bitters and Tonic in my family during the past year, and can recommend them as an excellent tonic, imparting tone and vigor to the system. Their use has been productive of decidedly beneficial effects.

WM. F. ROGERS.

Hon. James M. Wood, ex-Mayor of Williamsport Pa.:

I take great pleasure in recommending Hoofland's German Tonic to any one who may be afflicted with Dyspepsia. I had the Dyspepsia so badly it was impossible to keep any food on my stomach, and I became so weak as not to be able to walk half a mile. Two bottles of Tonic effected a perfect cure. JAMES M. WOOD.

Remember that Hoofland's German Bitters, and Hoofland's German Tonic, will cure every case of

MARASMUS, OR WASTING AWAY OF THE BODY;

Remember that Hoofland's German Remedies are the medicines you require to purify the blood, excite the torpid Liver to healthy action, and to enable you to pass safely through any hardships and exposure.

DR. HOOFLAND'S

PODOPHYLLIN

Or Substitute for Mercury Pills.

TWO PILLS A DOSE. The most powerful, yet Innocent, Vegetable Cathartic known.

It is not necessary to take a handful of these Pills to produce the desired effect. Two of them act quickly and powerfully, cleansing the Liver, Stomach and Bowels, of all impurities. The principal ingredient is Podophyllin, or the Alcoholic Extract of Mandrake, which is by many times more powerful, acting and searching, than the Mandrake itself. Its peculiar action is upon the Liver, cleaning it speedily from all obstructions, with all the power of Mercury, yet free from all the injurious results attached to the use of that mineral.

For all diseases in which the use of a cathartic is indicated, these pills will give entire satisfaction in every case. They NEVER FAIL.

In cases of Liver Complaint, Dyspepsia, and extreme Costiveness, Dr. Hoofland's German Bitters, or Tonic, should be used in connection with the Pills. The tonic effect of the Bitters, or Tonic, builds up the system. The Bitters, or Tonic, purifies the blood, strengthens the nerves, regulates the Liver, and gives strength, energy and vigor.

Keep your Bowels active with the Pills, and tone up the system with Bitters, or Tonic, and no disease can retain the hold, or even assail you.

Recollect that it is Dr Hoofland's German Remedies that are so universally used and highly recommended; and do not allow the druggist to induce you to take anything else that he may say is just as good, because he makes a larger profit on it. These remedies will be sent by Express to any locality upon application to the PRINCIPAL OFFICE, at the GERMAN MEDICINE STORE, 631 ARCH STREET, PHILADELPHIA.

THE BULLETIN.

THANKS.

USUAL ACKNOWLEDGEMENTS TO ALMIGHTY GOD.

PRESIDENT'S THANKSGVINIG PROCLAMATION.

WASHINGTON, Oct. 28.

By the President of the United States, proclamation:

The process of the seasons has again enabled the husbandmen to garner fruit, successful toil and industry have been generally well rewarded; we are at peace with all nations; tranquility with a few exceptions prevails at home, and within the past year we have in the main been free from ills which have elsewhere affected our kind. If some of us have had calamities, there should be occasion for sympathy with the sufferers and resignation on their part to the thewill of the Most High, and rejoicing to the many who have been more favorable.

I therefore recommend that on Thursday the thirtieth day of November next, the people meet in their respective places of worship, there to make the usual acknowledgements to Almighty God for the blessings He has conferred on them and for their merciful exemption from evils; invoke His protection and kindness for their less fortunate brethren, whom in His wisdom He deemed it best to chastise.

In faith whereof I have hereunto set my hand and caused the seal of state to be affixed.

Done at the city of Washington, this 28th day of October, in the year of our Lord eighteen hundred and seventy-one, and of independence of the United States the ninety-sixth. [Signed] U. S. GRANT.

By the President:

HAMILTON FISH, Secretary of State.

THE ALDINE.

PROSPECTUS FOR 1872.

FIFTH YEAR.

A Representative and Champion of American Art.

THE ALDINE:

An Illustrated Monthly Journal claimed to be the handsomest Paper in the World.

"Give my love to the artist workmen of THE ALDINE who are striving to make their profession worthy of admiration for beauty, as it has always been for usefulness."—*Henry Ward Beecher*

THE ALDINE, while issued with all the regularity, has none of the temporary or *timely* interest characteristic of ordinary periodicals. It is an elegant miscellaney of pure, light, and graceful literature, and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound at the close of the year. While other publications may claim superior cheapness as compared with rivals of of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of the volume just completed cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost.

The labor of getting THE ALDINE ready on the press is so great that reprinting is out of the question. With the exception of a small number specially reserved for binding, the editionn of 1871, is already exhausted, and it is now a scarce as well as valuable book.

NEW FEATURES FOR 1872.

Art Department.

The enthusiastic support so readily accorded to their enterprise, wherever it has been introduced, has convinced the publishers of THE ALDINE of the soundness of their theory that the American public would recognize and heartily support any sincere effort to elevate the tone and standard of illustrated publications. That so many weekly wicked sheets exist and thrive is not evidence that there is no market for anything better—indeed the success of THE ALDINE from the start is direct proof of the contrary. With a population so vast, and of such varied taste, a publisher can choose his patrons, and his paper is rather indicative of his own than of the taste of the country. As a guarantee of the excellence of this department, the publishers would beg to announce during the coming year, specimens from the following eminent American artists:

W. T. RICHARDS,	GRANVILLE PERKINS,
WM. HART,	F. O. C. DARLEY,
WM. BEARD,	VICTOR NEHLIG,
GEORGE SMILEY,	WM. H. WILCOX,
AUG. WILL,	JAMES H. BEARD,
JAMES SMILEY	R. F. PIGUET,
FRANK BEARD,	PAUL DIXON,
	J. HOW.

These pictures are being reproduced without regard to expense by the very best engravers in the country, and will bear the severest critical comparison with the best foreign work, it being the determination of the publishers that THE ALDINE shall be a successful vindication of American taste in competition with any existing publication in the world.

Literary Department.

Where so much attention is paid to illustration and get up of the work, too much dependence on appearances may very naturally be feared. To anticipate such misgivings, it is only necessary to state, that the editorial management of THE ALDINE has been entrusted to MR. RICHARD HENRY STODDARD, who has received assurances of assistance from a host of the most popular writers and poets of the country.

The Volume for 1872

will contain nearly 500 pages, and about 250 fine engravings. Commencing with the number for January, every third number will contain a beautiful tinted picture on plate paper, inserted as a frontispiece.

The Christmas number for 1872, will be a splendid volume in itself, containing fifty engravings, (four in tint) and, although retailed at $1, will be sent without extra charge to all yearly subscribers.

A Chromo to Every Subscriber

was a very popular feature last year, and will be repeated with the present volume. The publishers have purchased and reproduced, at great expense, the beauting by SARG, entitled "Dame Nature's School." The canvas is 11x14 inches, and is an exact fac-simile, in size and appearance, of the original picture. No Aldine loan chromo, which will at all compare with it, has yet been offered at retail for less than the price asked for THE ALDINE and it together. It will be delivered free, with the January number, to every subscriber who pays for one year in advance.

Terms for 1872.

CONSUMPTION.

ITS CURE AND ITS PREVENTIVE

BY DR. J. H. SCHENCK, M. D.

THE CAUSE AND CURE OF CONSUMPTION.—The primary cause of Consumption is derangement of the digestive organs. This derangement produces deficient nutrition and assimilation. By assimilation, I mean that process by which the nutriment of the food is converted into blood, and thence into the solids of the body. Persons with digestion thus impaired, having the slightest predisposition to pulmonary disease, or if they take cold, will be very liable to have Consumption of the Lungs in some of its forms; and I hold that it will be impossible to cure any case of Consumption without first restoring a good digestion and healthy assimilation. The very first thing to be done is to cleanse the stomach and bowels from all diseased mucus and slime which are clogging these organs so that they cannot perform their functions, and then rouse up and restore the liver to a healthy action. For this purpose, the surest and best remedy is Schenck's Mandrake Pills. These Pills clean the stomach and bowels of all the dead and morbid slime that is causing disease and decay in the whole system. They will clear out the liver of all diseased bile that has accumulated there, and arouse it up to a new and healthy action, by which natural and healthy bile is secreted.

The stomach, bowels, and liver are thus cleansed by the use of Schenck's Mandrake Pills; but there remains in the stomach an excess of acid, the organ is torpid and the appetite poor. In the bowels, the lacteals are weak, and requiring strength and support. It is in a condition like this that Schenck's Seaweed Tonic proves to be the most valuable remedy ever discovered. It is alkaline, and its use will neutralize all excess of acid, making the stomach sweet and fresh; it will give permanent tone to this important organ, and create a good, hearty appetite, and prepare the system for the first process of a good digestion, and ultimately make good, healthy, living blood. After this preparatory treatment, what remains to cure most cases of Consumption is the free and persevering use of Schenck's Pulmonic Syrup. The Pulmonic Syrup nourishes the system, purifies the blood, and is readily absorbed into the circulation, and thence distributed to the diseased lungs. There it ripens all morbid matters, whether in the form of abscesses or tubercles, and then assists Nature to expel
