M. Stratton and Carroll.

THE BULLETIN.

SUCCESS BASED UPON MERIT.
It is a subject of general remark, among
both wholesale and retail druggists, that
no medicine introduced to the American
public has ever gained such a popularity
and met with so large a sale in all parts of
the land, in the same length of time, as
has Dr. Pierce's Golden Medical Discovery.
This cannot depend upon its having been
more largely advertised than any other
medicine, as such is not the case. The
correct explanation, we think, is found in
the fact that this medicine produces the
most wonderful and perfect cures of
very bad cases of bronchitis, throat and
lung disease, is undoubtedly the most per-
fect and efficient remedy for all kinds of
coughs that has ever been introduced to
the public, and at the same time
possesses the greatest blood purifying
and strengthening properties that medical
science has been able to produce, thus ren-
dering it a sovereign remedy not only in
the cure of Consumption, Bronchitis,
Hoarseness and Coughs, but also for all
diseases of the liver and blood, as scrofu-
lous diseases, skin diseases, blotches, rough
skin, pimples, black specks and discolora-
tion. It has therefore a wide range of
application and usefulness, and it only
gives the most perfect satisfaction to all
who use it, but far exceeds the expecta-
tions of the most sanguine, thus eliciting
the loudest praise and making permanent
living advertising mediums out of all who
use it. For these reasons it is that there is
not perhaps a druggist in all the vast
domain of this continent, who tries to please
his customers and supply their wants, that
does not keep and sell large quantities of
this most valuable medicine. 590
dec6&w11
