RE-ANIMATING THE HAIR.—When the hair ceases to draw from the scalp the natural lubricant which is its sustenance, its vitality is, as it were, suspended, and if not promptly attended to, baldness will be the certain result. The one sure method of avoiding such an unpleasant catastrophe is to use LYON'S KATHAIRON, which, when well rubbed into the scalp, will speedily re-animate the hair and prevent it from falling out. Besides that, this invaluable re-animating and strengthener of the hair nourishes and stimulates its young and tender fibers, removes all obstacles to their growth in the shape of dandruff and dirt, and ultimately produces a new crop of hair, stronger, glossier, and twice as abundant as the old. As a hair dressing it is notably the most agreeable, refreshing and serviceable article ever placed upon a dressing-table.
