Baker university three points in the first quarter on a field goal by Kinzer and the Washburn Ichabods seven on a touchdown by Beals and goal by Trobert in the fourth quarter was the close score in Saturday afternoon's game on Washburn athletic field.

E. P. Villepique, Washburn Fullback, Who, Despite His Injuries, Stayed in Saturday's Game Against Baker.

When Coach Gallagher and his nineteen sturdy warriors walked out on the field before the start of the Freshman-High school game they were given a hearty cheer by the thousand Ichabod rooters, but many of the home team's most enthusiastic supporters shook their heads in feigning doubt, and all realized that Washburn had a foe worthy of her best metal when they saw the weight and husky appearance of the Baldwin invaders.

The strategy of the invaders and their plan of battle was well arranged and very apparent from the start of the game. By dashing plays they hoped to carry the ball to within kicking distance and obtain a field goal, and then every Baker player was to devote his brain and brawn to holding the Ichabods without a score.

At the beginning of the fourth quarter the visitors attempted field goals and failed. But after gaining 10 yards on a left end run and two fours and a two, Kinzer succeeded in booting the oval over the cross-bar for the 3 point score.

So far, the Baldwinites were successful, and the second and third quarters looked as if they were going to carry out the remainder of their schedule, but when the Ichabods trotted out to begin the fourth quarter, the old Washburn determination fired them to a zeal that was beyond the strength of the Gallagher plant and it was merely a matter of four successive line bucks, and victory.

PIGS KICK PUNTS.

"I am very well satisfied," Coach Gray said after Saturday's game. "This close score ought to make the men realize what they have to do if they expect to be in the running with Emporia and Kansas."

Coach Gallagher stated that he had hoped to secure a field goal or a touchdown and then hold the Ichabods scoreless. He said that this was the hardest game on his entire schedule.

The individual stars in Saturday's local game were probably Bearg, Beals, Stewart and Trobert for Washburn and L. Scott, Taylor, Kinzer and Armstrong for Baker. However, every player on both teams did brilliantly good work at times and slumped at other times.

Coach Gallagher handles his men well and bids fair to bring Baker back to a prominent place in Kansas football. Last year he had only thirteen regular players, while this year he has twenty-eight—and all of them are sure-enough, regular players.
