Do You Like Missouri?

We have six well improved farms in the Fruit and Truck Belt of Missouri that we can trade for land in Southwest Kansas and Texas and Beaver Counties Okla. These lands are all good fertile farms and in a fine-section. The prices are reasonable and if you want to get a good farm where there is no question about the rainfall and crops, come and see us. With a good farm in Southern Missouri your crops are assured and your living easy. Come in and let us tell you about it.

From the fact that Johnson has a barber and that Hugoton has become a city of the third class and Richfield going red-eyed after a steam laundry, it appears that a strenuous time in the history of southwest Kansas has set in, when things of small proportions are sneezed at and only things of great magnitude receive any attention. —Grant County Republican.

Traver Troubles
9 1/2 miles east of Hugoton.

Our county superintendent has appointed two members of the Fair View School District, (at Traver P. O.) as clerk. So now we will have something done. They are Frank Livy and Otis Nix. There must be lots to see to, to require two of them.

The Sunday School at Fair View has adjourned sine die, as it has been held at Mr. Frank Levy's for some time as the school house was struck by lightning along in May, and has not been fixed up or cleaned out, and now Mr. Levy's have returned to St. John to harvest their wheat and do some threshing. So we do not know when it it will commence again.

Miss Carrie Sessler is staying with her brother and sister-in-law at present, helping to take care of that big boy.

Say, what a difference in the temperature between Sunday and Monday.

The Hohn threshing machine will start out this week.

Not much of the wheat in this neighborhood will be ready for harvest before the 4th.

Misses Ethel and Bessie Loges, and Messrs. Harvey and Elmer Hohn and Carl Jones were visiting at Mr. and Mrs. John Traver's home last Sunday.

Mr. and Mrs. Monroe Traver were fooled last Sunday as they got almost to Frank Levy's house for Sunday School when they found that they had left for the harvest. Hope they will have better luck next time.

Mrs. L. S. Curry and son, Cal, and his family were visiting Mr. and Mrs. Otis Nix last Sunday. Say, but those Sunday dinners are the death of the Sunday School. Better read Heb. 10; 25.

Well, a good rain would be very acceptable.
